

9-6-17 In stark contrast to the last week of last half term this one has been rather mixed to say the least! I must say though, that even when it's been pouring down outside, everyone has got up, got in and got on. As many of you know we are busy recruiting a PE Lead/Sports Coach for next year and the children who have taken part in the lessons as we try candidates out have been brilliant . **Unfortunately a number of children have not been able to take part because they didn't have the correct kit—children need their T-SHIRT and SUITABLE SHOES in school every day. Please ensure they have these in a named bag.** We are happy with inexpensive plimsolls, so there is no need to spend a fortune on big name trainers. Let's work together to make PE and sport a really excellent aspect of the school—the children love it and it is vital for a healthy lifestyle in the short term and the long term.

DON'T FORGET!

Dine with Dad events next week:
Monday & Tuesday—lunch for those who have already purchased tickets.
Friday— pizza making for Nursery and Little Explorer dads.

Anyone **DRIVING** into school needs to remember **THE SAFETY OF CHILDREN IS OUR NUMBER ONE PRIORITY.** Think about your speed and where you park.

Learning in Action!

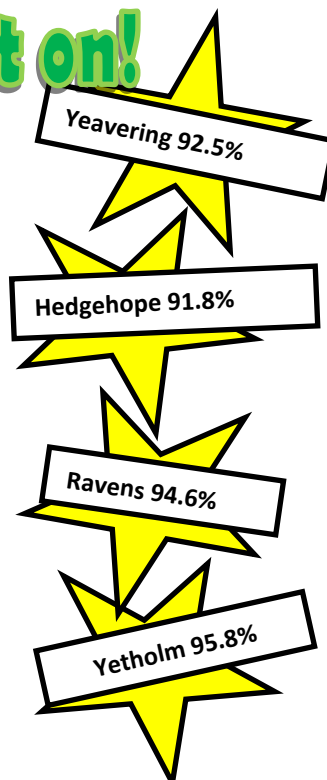

Year 6 sampled life at Newcastle University this week. They had a brilliant time and we hope it inspires lots of them to consider university as a choice when they are older.

Year 4 showed real grit and determination this week as they took part in Bikeability training in the pouring rain—not one single moan or groan was heard—true Cheviot spirit—Well done!

Get up! Get in! Get on!
