

# Duloe School Half Term Update

## Tuesday 6 June—PARENT RUN CREATIVE DAY!

A group of parents and volunteers have offered to run a Creative Day for our 'Sensations of India' topic. They will be running workshops with Indian cookery on a camp fire as well as in our kitchen, batik, storytelling and drama, Rangoli patterns and Cricket.

We know this will be an exciting and inspiring day for the children and we are very grateful for the time being given to our school.

If any other parents would like to help with these activities on the day, 'extra hands' would be gratefully received!

We have been receiving many requests for term time absences— whilst we will always try to accommodate family emergencies, please remember that there are strict guidelines in place which we must adhere to, so please always try to plan absences during the school holidays.

Please join us for an Academy Meeting on Wednesday 7th June @ 3.30 pm—for further information on the developments of our academisation with the Bridge Mat, and an opportunity for you to ask questions, and raise any concerns.

We are so grateful to Mrs Robins for stepping in and teaching Class 1 while Mrs Dunn is away on compassionate leave. We will keep you up to date with developments, but are expecting Mrs Dunn to return after the half term break.

Just a reminder that we have an inset day on **Friday 9th June**—we hope you will take the opportunity to visit the Royal Cornwall Show :)

Why not enter a competition over half term to design a front page for the Looe News? We've attached the details and a piece of paper for you—so get creating! Good Luck :) Pop your entry back to school after the holidays and we'll post it off for you!

Please can we ask that you respect the church yard and particularly the trees growing on the edge. This is County Council property and the Parish Council have asked us to notify our families in case of possible accidents. Thank you for your help.

Please pop into your diary—Parent Consultations, **Monday 12 & Tuesday 13 June 3.30-5.30**—when you can discuss with your child's teacher all aspects of their school work. The appointment slots can be booked via the school website, and will be 'live' after half term.
