Sporting Events in the OLT

Following last week's football tournament, this week many children have participated in a bench-ball and a hockey tournament. We won the bench ball event and one of our teams also triumphed in the hockey competition.

Friday 11th November - 49th Anniversary of MLK visit to Newcastle

The children sang wonderfully in the King's Hall last Friday evening. We received many positive comments about their singing from Professor Ward, the audience and Newcastle University. There is a photograph of our children on the Freedom City 2017 website: www.freedomcity2017.com

Enjoy the weekend

	Thank you to Mrs Allen, Mr Brown, and Mrs Power, who accompanied children to the King's Hall. Thank you to Mr Brown, Mrs Allen and Mr Harland who accompanied children to recent sporting competitions.
	Layla and Khaled

Big Cook, Little Cook

(funding through OLT)

We are trying to organise **cooking lessons for parents and their children** together, after school, one evening per week.

Each family will suggest a recipe that the whole group will cook. At the end of the sessions the recipes will be made into a Christ Church Family Cook Book. If you are interested, please see the home school **co-ordinator Linda Lashley** or give your name to **Sam Fox** one of our parents or **Jenny Ward** in the **School Office**.

The course may be repeated if we have a lot of families wishing to participate.
