Stars of the Week

Last week's stars of the week were Jay, Jack and Paige. This week's stars are Bentley, Ava and Wiktoria. We are very proud of the efforts children are making with their learning and how they have started to think about the values we are discussing in our assemblies.

Picking Up and Dropping Off

Over the summer we have improved school security by fencing in our field. There are now three gates through which you can enter and leave the site and these are kept locked apart from at pick up and collection time providing greater security for children at clubs. When dropping off and collecting children from school please make sure the paths are clear and leave space for families to get in and out. If you do arrive early make sure your children are supervised closely by the road and in the carpark. We would also appreciate it if dogs are kept a short distance from the school gate so children can avoid them if they prefer to.

Clubs

When dropping off at Breakfast Club please avoid blocking the staff parking spaces as teachers are arriving to work at this time and remember children need to be brought in to the building and signed in. At the end of the day children attending extra-curricular clubs will exit through the main front doors to the school.

Coffee Morning

Our Family Liaison Advisor, Gosia, held a coffee morning for Reception parents today. Thank you to everyone who came along. We hope it gave you a chance to get to know one another better.

KS1 Trip to @Bristol

Children in Year 1 and 2 should have received a letter about a trip on October 4th. Thank you to those of you who have already paid for this using schoolmoney.

Friends of Innsworth Schools

We are looking for a team of people to help us with fundraising events and a letter was sent out yesterday. If you can help us in anyway please contact the school office.

Dates
