Stars of the Week

Congratulations to the stars of the week from 9th June: Anushka, Sophie, Gabriele, Ruby and Jack.

Innsworth Schools Family Festival

Thank you to everyone who helped with this event. A huge thank you to the MOD chefs for an amazing barbecue. Thank you to Mr Fountain and Mr Pukk for assistance with stocking the bar. We are grateful to Walls for donating the ice-creams and Mr Smith for providing the bouncy castles. Thank you to the staff and governors who helped to set up, man stalls and clear up after the event. Also to the wider community including Innsworth Pre-School who provided additional stalls (we hope you all made money for the various causes you were representing). The schools made £815.80 profit which will go towards additional resources for the children in both schools. In addition Mrs Tolson's Tombolo made £215 towards the Year 6 end of year celebration.

Writing Challenge

Well done to the children who completed a piece of writing about their sunflower and returned it this week. There will be an assembly on Friday 30th to award writing challenge certificates.

Outdoor Resources

Please make sure younger children are kept away from the outdoor resources at drop off and pick up time. Unfortunately we have had some items damaged over the last few weeks.

Science Day

The children had a fantastic hands-on day last Friday enjoying a range of practical, hands-on investigations. Mr Bebbington did a great job organising this event. If you have not already seen them check out the photographs on Twitter (they can also be seen in the feed on the front page of our website).

Hot weather

Please can you make sure your child has a named water bottle in school. We have chilled, filtered water dispensers and actively encourage children to drink regularly during the day. We recommend applying a long lasting sun screen at the start of the day as Infant aged children are not all able to manage applying their screen independently.

After School Club

The refurbishment of the Elliot building has been completed and staff have now been appointed for September. We are really exciting about the range of activities that will be on offer and the additional facilities children will be able to access. Booking forms will be available from next week.

Dates

Wednesday 28 th June	Year 2 Lego day – pick up from the Junior School at 3.25.
Thursday 6 th July	Step Up day – children 'step up' to their new class and meet their new teachers. There is an opportunity for parents to meet the new teacher in the Infant School at 3pm and in the Junior School at 5.30pm.
Friday 14 th July	Infant Sports morning and family picnic.
Tuesday 18 th July 1.30pm	Year 2 Play
Friday 21 st July 9am	Leavers Assembly

Lisa Jones
Executive Headteacher
