Rights Respecting Award

We are thrilled to have received our Recognition of Commitment Award from Unicef. This completes our first step of the journey towards becoming a Rights Respecting School.

No Electricity Day

On Tuesday at 9.00am, the lights went off, computer screens went dark and the photocopier stopped whirring as the children experienced a morning without electricity. This was organised by our Global Citizens as part of our Global learning.

Healthy Bus

This week we were visited by the School Nursing team and their Healthy Bus. The children explored healthy eating and exercise, with Class 4 learning about the amount of sugar in the food that we eat. For more information see the Facts of Life website.

E-Safety Top Tip:

Snap Map, an **OPTIONAL feature** of Snap Chat, allows users to post public 'snaps' on a public interactive map. Snap Map allows people to search for places and view the images posted in that location.

Please take a moment to think about the consequences of children posting at home.

Users are also able to locate their "friends" on a map, that is accurate enough to determine where people live.

Switching Off Snap Map

- When in photo-taking mode, pinch the screen to open Snap Map
- Touch the settings cog in the top right corner of the screen
- Tap "Ghost Mode" to switch off location sharing
- Photos and videos posted to Snapchat's public 'Our Story' will still be discoverable on the map
