SCREENING

DEAR PARENTS/CARERS

25th January 2018

It really has been a blustery few days here in school! We now have quite a bit of work to do to repair the felt on the shed roof! However, I have a hammer, shed felt and tacks, so providing it doesn't rain, snow or hail, I hope to have it done very soon! Thankfully, the play panel that was blown off has now been repaired!

As always, the children are working extremely hard in class. Themes are stimulating learning and exciting the children. We are all looking forward to the whole-school visit to 'We The Curious' in Bristol on Friday and taking part in lots of activities. Our grateful thanks again go to the 'Friends' committee for enabling this trip to go ahead by paying for the coaches. We really would not have been able to go without that support. Thank you.
Mr C.

REMINDER

ALL CHILDREN WILL NEED A
PACKED LUNCH TOMORROW
FOR OUR VISIT TO
'WE THE CURIOUS'

The next school disco will take place at school on Thursday 8 February. It will start at 6pm and finish at 7.30pm. More information will be coming home via book bags next week. Our thanks again to Friends for organising this event.

RECEPTION CHILDREN

Vision and hearing screening for Reception children will take place in school on 22nd February 2018. **If you wish to opt out of this screening, then you must phone 0300 4218225.** The checks will be carried out by Louise Kibble and Heather Thomas, who are both Health & Wellbeing Assistants for the NHS.

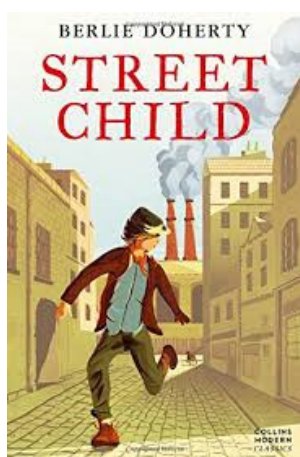

CLASS NEWS

We have had a busy week in Class 1. In literacy, Y1's have been finishing their class information book about space. They have each researched a topic to do with space and we have created front covers, a contents page and indexes. Reception children have been building CVC words and painting aliens and writing about them. In maths Reception children have been developing their number skills and Year 1's have been comparing lengths and weights and measuring lengths. In our theme lessons we have designed our rockets and thought about what we will need to use to make them and join materials together.

In literacy Class 2 have been writing up our news reports about the invention of the lightbulb and looking at life without lightbulbs. In numeracy Y3's have been looking at fractions. The Y2's have been practising multiplication and division using the 2,5, and 10 times table. On Tuesday the Y3's had tag rugby, it was fun!

By Lilly & Billy

In theme Class 3 have been learning about how to read a map and how to draw a sketch map. We learnt to read symbols. In literacy we have been writing a diary about the workhouse and we've been reading Street Child by Berlie Doherty. We are learning to write a letter of complaint.
By Tana & Lottie

MONTHLY PRAYER GROUP

We will be holding our next monthly prayer meeting on Monday 5th February in school. These meetings will take place on the first Monday of each month - as far as the calendar allows. We welcome everyone who would like to come along to pray for the life of the school. I look forward to welcoming you.
