2<sup>nd</sup> February 2018

## Friday Flier 17

Dear Parents

It hardly seems possible that next week is the last week before half term! I am sorry that I have not been around so much lately but I have had the flu and the after effects are lingering – hence I am not on the playground as much as usual. However, all is well in school and with such a strong team everything is carrying on as per usual. Some of the children are also unwell with the sickness bug. If your child is unlucky enough to have this, they must stay at home until they have had 48 hours free from sickness or diarrhoea.

### **No snacks containing nuts**

Several children have a severe allergy to nuts. To minimise the risk to these children please can I ask that no-one brings snacks containing nuts in any form. The children are told not to share their snacks but in some cases, out of benevolence, they do sometimes share their food and this is very difficult to monitor on the playground.

### **PTFA Beetle Drive**

A huge thank you to Zoe Thomson and everyone who made the Beetle Drive on Saturday such a success. It was a great social event as well as raising much needed funds – the amount will soon be confirmed

### **Hockey Festivals**

Over the last two weeks, teams of children from both Years 3 and 4 and Years 5 and 6 have taken part in Quick Sticks Hockey Festivals. They competed in a number of friendly matches playing teams from local schools at the Exmouth Community College. As usual I am delighted to say that our children played well as a team and their behaviour was exemplary. Well done to all and thank you to Miss Cooper for arranging and leading these opportunities for the children.

### **After School Club**

Woodbury After School Club is having their AGM on the 7th February 2018 in the ASC room. The ASC are looking for a deputy chairperson to join the committee who would be happy to take over the chairperson role in February 2019.

Please come along to the meeting to either join the committee or to see what the club has been up to this year.

If you have any questions or want any further information about the deputy chairperson role, come and speak to Jenna Walker (Manager) in the ASC room or Abi Petch (Chairperson).

### **Dates for the term**
