Week: 6

Mrs Smith's Message

I cannot believe that the academic year has nearly ended and we only have one more week to go.

It has been a busy week and lots of exciting events have happened in school. On Tuesday, Y6 managed to avoid the rain when they visited Brean and Weston pier for the end of year trip and reception enjoyed and action packed visit to Bristol Aquarium on Thursday. Year 5 visited Writhlington and the children were excellent ambassadors for our school. We even had time to fit in class photos on Wednesday and sent a group of children, with Mrs Smyth, to Quad Kids tournament.

SCHOOL DAY CONSULTATION

Last night, governors met to discuss the outcome of the consultation on extending our school day. Thank you to the 13 parents who responded to the consultation. Your responses were taken to the governing body and discussed. The outcome was that the governors voted unanimously to extend the school day from September 2017. Staff are excited about the wonderful creative lessons they will now have more time for each day. The timings from September are as follows:

Gates open: 8.40am

Register: 8.45am

Lunch KS1: 12.00—1.00pm

Lunch KS2: 12.30—1.15pm

End of day KS1: 3.30pm

End of day KS2: 3.35pm

End of day Friday KS1: 3.05pm

End of day Friday KS2: 3.10pm

End of big term finish (Christmas, Easter, End of Year): 1.00pm

On Monday, children have move up morning where they will meet their new teacher and spend the morning in their new classroom. You will then receive a letter informing you of the class structure for 2017/18.

Have a wonderful weekend

Nicki Smith

Quadkids

A huge well done to our Year 3 and Year 4 Quadkids team who competed at St Benedicts last night. They came a fantastic 6th out of 15 schools, beating lots of schools who are bigger than us! They supported and cheered each other on and were fantastic ambassadors for our school. Thank you to all the supporters who came and cheered on the team too. Well done everyone!

A Time To Talk

In each class ask your child about:

Frome/Tone:

Somer: Talk about three interesting facts you know about the titanic.

Dart/Brue: What unusual home would you like to live in and why?

Avon: Discuss 3 things you learnt from Selwyn the minor.

Kennet: Can you sing the songs we learnt this week?

Yeo: Discuss three things you learnt at Writhlington.

Severn: What is the Fibonacci sequence?

Understanding your child's behaviour?

Parenting course for parents/carers of school children aged 4-11 years. This course will help you develop a new way of thinking about your child/children and allow you to work with the changing demands of modern day parenting.
