

The children have excelled themselves again this week, impressing their teachers and visitors to the school. It is always nice to hear from invited guests how well behaved and polite the children are, but most of all how hard they work and enjoy their learning regardless of the subject.

Our school library is currently being renovated by our new site manager Mr Case. Hopefully we will be able to include some pictures of the new shelving and furniture next week. Many thanks to the PTFA and Mevagissey Parish Council for helping towards the cost for this. The children of the school benefit so much from the PTFA's fundraising and look forward to the events that they run. However, they urgently need more help to continue these great fundraising events that they put on. Unfortunately, the Film Night that they are organising at the end of this month is under threat of being cancelled as they currently do not have enough adult helpers available. Please speak to Mrs Barrett (Dolphins Class) or Mrs Tippett if you are interested in volunteering your help.

Finally, good luck to all the children entering the St Andrew's 'Hidden Talent' show this evening. I am sure it will be very entertaining.

Have a lovely weekend

#### Common Sense Media

If you want to know more about the apps, movies and video games that your children are playing, Common Sense Media provides up to date advice for parents so that you can decide whether or not a particular book, film, game or app is appropriate. It provides a very useful 'What parents need to know' review that will help inform smart media choices.

Please check out their website [commonsensemedia.org](https://www.commonsensemedia.org)

### **BAD WEATHER EMERGENCY PROCEDURES**

In the event of snow or extremely bad weather, we will text out to all parents any closure news. It will also be posted on our website and announced on Radio Cornwall/Pirate FM. If we take the decision to close the school during the school day, you do not need to contact us before collecting your child as this would only overload the telephone lines. Please rest assured we will NOT close the school until all children have been collected.

## Spring Term Diary Dates

Wednesday 24th January	Plymouth University Science Showcase—Sea Turtles
Thursday 25th January	Y5 Basketball tournament-Poltair
