Words from the Woods! Friday 8th September 2017

Dear Parents and Carers,

Welcome back to the new academic year at Cadmore End and welcome to new pupils who have joined us in Reception and across the school; as well as new parents and staff. I am thrilled to see pupil numbers on the rise; supported by a full team of dedicated staff, caring pupils and supportive parents!

Rising pupil numbers means additional funding. Rest assured though that it is still our intention to preserve our small class sizes; which are an integral part of the Cadmore caring ethos. We do however need additional pupils to ensure that our school remains viable going forward and that we build upon the good work now taking place throughout the school. We would be very grateful therefore, if you could please encourage prospective parents to visit our school and, when possible, visit our Facebook page to like and share our posts!

Class information

You should have all received the following information about your child's new class:

- Class information letter.
- Homework letter.
- Home, school agreement. (Please share with your child, sign and return to school.)

To provide you with additional information and answer any questions you may have, we have organised 'Meet the Teacher' sessions. I do hope you can make it.

- Wednesday 13th September 6.00pm – 6.30pm **Class 1**
- Wednesday 13th September 6.40pm – 7.10pm **Class 3**
- Wednesday 20th September 6.00pm – 6.30pm **Class 2**
- Wednesday 20th September 6.40pm – 7.10pm **Class 4**

Teaching and Learning in Years 3-6

It is essential to both Parents and Staff, that all Pupils receive a well-rounded education; where every child achieves their full potential academically, personally and socially.

To this end we have identified particular strengths amongst our excellent staff and assigned each of them to be a subject lead in their area of expertise. Going forward, whilst KS1 will largely be taught and nurtured by their class teacher, pupils in Years 3 – 6 will be taught by English and Maths by Class Teachers in the morning and then receive specialist tuition by the subject leads in the afternoon.

This is a very exciting and innovative way forward; which the teachers look forward to telling you more about at 'Meet the Teacher' evening. We do hope that you will all make time to attend.

Forest School

Congratulations to Mrs Hazel who is now a qualified Forest School Teacher! Mrs Hazel will be working with every class each week.

To ensure your child can participate, please ensure that they have the correct outdoor kit – wellington boots, change of socks, waterproof coat and waterproof trousers. Please make sure that all items are named. These items can be purchased for £10.75 from <https://www.schoolwearforless.com/uniform/CadmoreEndSchoolHP143PE/rain-suit> Alternatively, I am sure you can pick up something similar in town.

Reading

During the summer holidays, our reading scheme has been categorised and replenished. Your child has been issued a reading book that matches their reading ability and age. Additional books for Year 5 and 6 will be arriving early next week.

Evidence suggests that children who read for enjoyment every day not only perform better in reading tests than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures.

Parent workshops

To help you have a better understanding on how we teach and how you can support your child, we have planned several workshops.
