**A Message from Mrs Denham**

Wow what a week! I am so proud of the Y6 and how they approached their SAT's. They were so sensible and engaged and really worked their hardest. Some of the papers – they sat 6 different tests – were very difficult. I would love people from the general population to be asked to sit the tests, and then see how many passed! I would also like to say a huge well done to Mr Pettifer and Mrs Ashton, who have worked so hard to prepare the children and even went the extra mile with booster classes before school. Thank you both for your hard work and dedication to our wonderful Y6.

Thank you to those parents who responded to the website/eschools platform letter that went out last week. We will be sending out a letter to you shortly, telling you how to sign up to the platform. Please look at the new website. We hope to keep this as up to date as we can.

Can we also please ask that you let anyone in the community - friends, family, neighbours etc - know that we have spare pupil places throughout the whole school, but especially in the present reception group and in the reception coming into school in September. We are very, very keen, to keep pupil numbers up.

Due to the pub car park now being out of bounds for parking, can we please ask that everyone parks, safely and considerately for the children and the other users of the road. We have had a few complaints saying cars are double parking and blocking the road. Thank you very much for your support in this matter.

**Notices**

As the summer approaches, please can you ensure your child has a sun hat and sun screen in school, so that they can apply when needed.

### **PRE-SCHOOL**

The children who are going to school in September enjoyed a story and sometime in the reception classes outside area on Tuesday. In the Pre-School we have participated in activities to promote hand eye co-ordination and fine motor skills by threading beads and shells onto glitter pipe cleaners to make bracelets. Another activity was to look at their faces in a mirror and to create them on a piece of paper using coloured pens. We also discussed how even though we have some features the same, we are all different as in hair colour, eye colour etc. Tempest also visited the setting on Wednesday and we hope everyone is happy with their photos.

Pre-School is open between 8am and 5pm Monday – Friday and accepts Early Years Funding, where 3/4yr olds can access 15 hours of childcare a week. We are also an approved setting to accept 2gether funding for 2yr olds. For further information or if you would like to arrange a visit, please contact us on 01598 710019 or email us at:- [preschoolbf@gmail.com](mailto:preschoolbf@gmail.com)
