Safer Internet Day 2018

Please put 6th February in your diary: this will be our annual e-Safety Day, which will this year be combined with an e-safety share session for parents and carers from 9:15am to 10:40am.

The theme for this year's event is **Create, Connect and Share Respect: A better internet starts with you**. Mr Wayland, our Computing Leader, has put together an exciting range of activities for all classes, so we really hope that you will be able to join us. Please look out for more details over the coming weeks.

PTA Event this Sunday

The PTA will be holding a 'Sausage Sizzle' at the new Bunnings store (previously Homebase) this **Sunday, 21st January**.

It is a fantastic opportunity for the PTA to raise hundreds of pounds for our children, so if you can help for an hour or two, bake or buy some cakes and drop them off at the stall on Sunday morning, or just pop along to buy a sausage, we would be extremely grateful. Please speak to a member of the PTA committee for more details.

House Assemblies

Our House Captains planned and delivered the first ever House Assemblies on Wednesday this week. Each pair put together their own PowerPoint presentation, then spoke to the pupils in their Houses about their role, how they can get involved in improving the school, and launched the inter-house talent show that they have decided to run this year, **Laureate's Got Talent**. More details will be released about this competition very soon – so if your son or daughter has a particular talent that they would like to share with the school, tell them to get practising!

Think of the Month

Here's the question that we're discussing this month, as part of P4C (Philosophy for Children) – why not join in at home?

Think of the Month (January 2018):

Would you like to be able to regenerate into someone new, like The Doctor? Why, or why not?

Upcoming Calendar Dates

New & amended dates in red
