### Girl Guide message from Megan and Lily, Year 6

"Our Guide group is 7th Gloucester Guides. We meet on Tuesdays at 7.30 - 9pm at St Barnabas hall. We go on lots of camps. We have recently been on a large scale camp called 'Bubbs Hill Bash'. We do lots of different activities and recently had a guide dog come in to see us. The age range is from 10 -14 years old. It costs £3 per week. We do lots of charity activities like bag packing and milk bottle collecting. Unfortunately, due to low numbers, this Girl Guide group is facing closure. Please help us to stay open if you can"

### Cladding on our School

It is absolutely understandable that concern is heightened regarding external cladding in light of the Grenfell Tower tragedy.

The cladding on our school is a completely different product rated to European standard EN13501-1 certified and approved to B-s1, d0.

B-s1, d0 :

- B = Inflammable Materials
- S1 = Very limited Smoke Development
- D0 = No Burning Droplets or Particles

Our premises are also fitted with a comprehensive fire detection system, we have good systems in place regarding the evacuation of the premises which can be achieved within minutes and the fire department should reach site within seven minutes so the cladding should have no impact on life or significant spread of fire.

Younger children are very welcome to attend performances and assemblies however we appreciate that sometimes it is difficult to occupy them whilst watching the children. If you choose not to use the crèche facility and your younger child/ren are causing a disruption you will be kindly asked to leave the performance. Thank you.

Term dates are available on the school website

Reply slips for pupil visits / events

Please can we ask that reply slips come into school by the reply date to enable us to confirm numbers.

If you send payments in to school, please make sure these are in a sealed envelope clearly labelled with your child's name, class and what the payment is for.

Thank you .

### Headlice

Please check your child's hair regularly for these unwelcome visitors.

If you find any, we recommend using conditioner and combing through until clear.
