News - 14th July 2017

Dear God,

Thank you for all the times that we have been given good advice by teachers, parents and friends

Help us to remember that good advice and, as we get older, to help others.

Help us to know the difference between good and bad advice.

Amen

Thank you PCC

The school would like to say a big thank you to Acton Trussell & Bednall Parochial Church Council for paying the school's journey insurance premium. Your continued support of the school is very much appreciated.

Leavers Assembly – Friday 21st July at 1:45pm

Our Leavers assembly will take place on Friday 21st July at 1:45 pm at All Saints Church. The Church will be open for refreshments from 1:00pm. Everyone is welcome to attend and we do hope that you can join us. Following the conclusion of the assembly children may go home with their parents. If you cannot join us then we will care for your child until the normal collection time of 3:15pm.

Parking

Could parents please bear in mind the need for considerate parking outside school. We have repeatedly asked that parents do not park in School Lane (opposite the school) or Kenderdine Close as this avoids blocking the roads when dropping off or collecting children. Could you please ensure that you park respectfully, not mounting pavements or letting children run off in front so that other road users and our neighbours are not inconvenienced. Could parents also ensure that children stay with you when being walked up to school and not left to run up. Many thanks for your co-operation

School Meals

You will be able to order your child's school meals at any time prior to Wednesday 30th August for the week commencing Monday 4th September. The full menu will be available for you to choose from. If you have any difficulties please email the school as emails will be monitored during the school holidays.

DFE Information Leaflets

Please find links for information leaflets published by the DFE to help parents understand what to expect in reports from schools about pupils' assessments at the end of key stage 1 and 2. It describes the role of national curriculum tests and teacher assessments, as well as how results are used.
