

'But now put these things out of your life: anger, losing your temper, doing or saying things to hurt others, and saying shameful things...' Colossians 3

What's in store for the children next week?

Reception will be talking about special places and thinking about people who are special to us.

Year 1 will be going on a 'scavenger' hunt! What will they find?

Year 2 will be designing a vehicle fit for a superhero! Please remember to bring junk modelling materials.

Year 3 will be looking closely and carefully at volcanoes.

Year 4 will be researching, designing and creating their own Roman shields.

Year 5 will be artists in residence, creating pastel picture of our solar system.

Year 6 will be learning how to play a conker match.

Dates for this term

Wednesday 27th September – Year 5 educational visit to the Junior Lifeskills Centre, Liskeard.

Thursday 28th September – Year 5 / 6 Sports Festival at Saltash.net. (Team)

4th – 8th December – Advent Prayer Spaces in School.

8th December – Christmas Dinner.

13th & 14th December – Christmas Productions

19th December – Christingle Service at St Stephens for all KS2 children.

Further information for each event will follow.

20th December – **END OF TERM**

Harvest Festival Service – 29th September

Our Harvest Festival service will be held at St Stephens Church starting at 1.45pm. Everyone is welcome to join us. This year we will, once again, be collecting food items for the Saltash Foodbank – a tin or packet of food (in date) would be wonderful. If you are joining us for the service and would like to take your child straight home afterwards please let your child's classteacher know. We can then ensure they have their bags with them.

New Website

We hope you like the new website which contains lots of information. Please do take some time to explore it. We have made some important forms available for you to download, such as the Absence Request Form and the Supplementary Information Form. The school meals menu is available, as well as links to the form for free school meals. We have tried to think of all the things you might want to know and have access to. We hope we have got most of them!

You will also find all letters home on the website – these are letters from individual classes, whole school letters and newsletters.

In the **Learning** tab you will find details of the curriculum for every year group, so you know what the children will be learning throughout the year.

The **calendar** contains all relevant dates and will be updated every time we add a new event.

Shortly we will be launching the website through a communications App which means you will get a notification when we add any new information.

We hope this will improve communication between school and home. If there is anything you think should be added to the website please let us know. We have already had a few ideas offered! So please let us know what you think – bouquets and buckets!!

We still have some LOST PROPERTY left in school from last term. Please do come and have a look before half term. After then they will be recycled. If items of clothing are named it is easy to reunite them with their owner so please ensure all clothing is named. Thank you.

Lost property is located just inside the front door.

Yes – it was absolutely delicious! Year 6 then had to work hard as they became a human calculator! Perhaps they were working out the number of calories consumed!

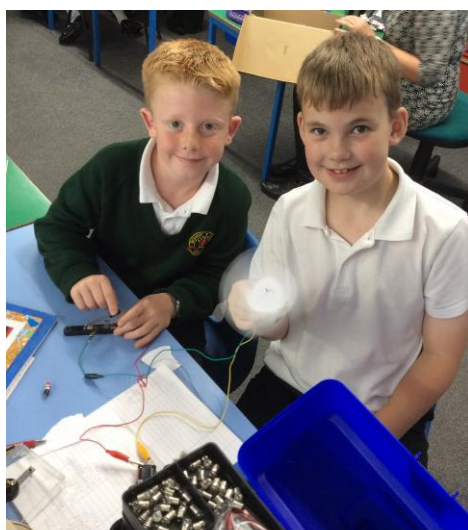

Please remember that, for KS2 children, school meals cost £2.30. If you are paying by cheque please make the cheques payable to 'Caterlink.' Sadly, the 5 meals for 4 no longer applies. Caterlink do operate a 'no-debt' policy which means all meals must be paid for.

Also, we do have a number of children and staff with severe allergies, the most common being nuts. Please could we ask you to consider this when preparing packed lunches and avoid including nut products. Thank you.

On the 15th October the old (round) £1 coin goes out of circulation. After that date we will no longer be able to accept them in school. We advise everyone to check their 'piggy banks' for old coins!!

Year 4 had great fun creating circuits to light bulbs and buzz buzzers.

Perhaps we have some budding electricians in our midst. It certainly made for a lot of excitement in the classroom.

Please remember to return your data collection sheets and Parent Consultation slips as soon as possible. This means our records are completely up to date and we can allocate you a time slot for Parent Consultations. Thank you.
