

# Millfield Nursery

## What we have done this week

This week our focus has been about safety in the environment.

We had a visit from our local lollipop lady who talked about road safety, the children then made a lollipop stick and practised their road safety with each other. We have talked about how to keep safe in nursery, making sure our coats are hanging up and not left on the floor, or when we change into our wellies that our shoes are tucked under the bench.

We've talked about the safe use of equipment such as scissors,

## Parent reminder

Please remember to fill in your child's lunch slip at the beginning of each week.

The rain/snow is on its way please remember their wellies, gloves and hats.

## What we will be looking at next week

Next week at nursery (w/c 4<sup>th</sup> December) we will be looking at 'Winter'.

We will be covering:

- The changes in the weather and how this effects our environment.
- How to keep warm in winter.
- Animals and hibernation.  
*(Please could parents bring in any cleaned empty yogurt pots and any pinecones you may have for a craft activity)*

## Cheeky Challenge

This is a challenge you may like to do with your child each day.

'How many frosty mornings will there be this week? - ask your children how they can check?.'

## Upcoming dates/events

4<sup>th</sup> December – from this date a party food list will be up inside nursery for parents to sign beside what they will provide.

18<sup>th</sup> December - Christmas lunch

19<sup>th</sup> December - Nursery Christmas party.
