Christmas Jumper Day 'Save the Children'

On Thursday 15th December we are inviting all pupils to take part in Save the Children Christmas Jumper Day 2016.

The whole school will be taking part, with everyone getting the chance to show the world their silly side by wearing their favourite festive knits for the day.

We're asking pupils to make a £1.00 donation, or whatever they can give, to help save children's lives around the world.

The money they raise will help Save the Children give the world's forgotten children a brighter future. It could help bring essentials like healthcare, education, protection and food to the millions of children around the world who are missing out on the most basic support.

You do not need to splash out on a snazzy new sweater to join in the fun - simply decorate an old wolly to create your own crafty masterpiece.

If you would like to find out more about Save the Children's Christmas Jumper Day, simply head to christmasjumperday.org or get in touch with the school to find out more about our plans for the big day.

Don't forget to bring in your £1.00!

With your support we are looking forward to a wolly great day!

Extended School Clubs Notice

There will be no extended school activities the last week of term

12th December - 16th December.

Activities will commence the week beginning Monday 9th January 2016.

Gardening Club

There will be no more Gardening Club sessions until after Christmas.

After School Club

After School Club will close at 4.30 p.m. on Friday 16th December.

Please ensure you have collected your child no later than this time.

Mission Together

Kenya Appeal

All around the world, children collect what they can to support Mission Together and help other children.

The great work they do means that all mission dioceses (over a thousand!) can be supported. Thousands of children in Kenya are orphans and through Mission Together you can help provide loving homes for the most vulnerable.

Thank you to the families who have been sending boxes to school. Your continuing support is greatly appreciated.

For more information, please visit www.missiontogether.org.uk

Winter is here!

Please ensure you child is dressed warmly for school as temperatures outside have dramatically dropped.

A spare pair of socks might be an idea so they have something to change into if their feet get wet.
