

26th January 2018

Spring 1 Week 3

Special Points of Interest

- STEM KIDS
- Parents' Meetings
- Medicine
- School drop off
- Cold Weather

The children who participated in the engineering after school clubs this week all had a fantastic time and went home with their working models. www.stemkids.co.uk

KS1 children making balloon cars

Children's access to school

The school gates open at 8.45 am. Please do not drop off your children early at the office entrance unless prior arrangement has been made. Children are not insured to be in the school building outside of opening hours unless taking part in an organised activity.

Dates for your diary

Wed 31st January
Coffee Morning
Entrance via side of reception

Parents' Meetings
w/c 5th February

Y5 BikeRight Day 1
Wed 7th February

Medicine in school

Please note that if your child requires prescribed medicine within school hours (i.e. antibiotics required 4 times per day), it must be brought to the school office by a parent and the appropriate authorisation form completed. We will not give children any medicine unless this process is followed. Medicine must be in its original packet/container with the child's name and dosage printed on the dispensing label.

BikeRight Day 1

For those pupils in Y5 who have registered, please ensure that they have a roadworthy bike, cycling helmet and suitable warm clothes with them on Wednesday 7th February.

Cold Weather

Please ensure that children have warm winter coats, hats and gloves during this cold spell. Children can spend up to 40 minutes outside at lunch time.
