12th May

Summer term 2017

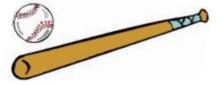

Making the most of the outdoors

On Monday afternoon, Class 3 went to visit Polgoon Vineyard as a part of their project. They were able to see the bee hives, the trees where the bees collected the pollen and see the end results, i.e. the honey. As always, their behaviour was impeccable.

We would like to thank the owners, David and Mary, for going out of their way to teach the children.

Sports news

Rounders win

This week, Year 6 took part in the Penwith School's rounders league. They won their both of their first two matches and played incredibly well. A big thank you and well done to Harry, Angel, Tyler Reece, Rose B, Corey, Sheka, Harvey, Keira, Kaea and Honey.

Tag rugby competition

The retiring Head teacher of Mylor Bridge School, Chris Lea, has organised a tag rugby competition in Camborne for Saturday, 20th May. After this the children going from Newlyn will form a guard of honour for the Cornwall Rugby Team in their game against Hertfordshire.

Year 6 SATs

SATs are over!!! The children worked so incredibly hard and we are really proud of them all.

Thanks also to Chris, Mrs Harrison and Mrs Toms for their help with the pre SATs breakfast.

Fees for music tuition

Children are very lucky at Newlyn to have access to a wide range of musical instruments and lessons.

However we have a large amount of fees unpaid. Unfortunately, lessons will have to stop if fees remain unpaid. We would be grateful if all outstanding monies could be paid.

'Follow My Story' at Newlyn

Art Gallery

Year 4 and 5 are going on an exciting story making workshop next week.

Virtue of the fortnight

Our virtue of the fortnight is respect. It wonderful to see lots of children receiving fish certificates in sharing assembly for all the virtues we have practised so far: kindness, perseverance, courage, truthfulness and self-discipline.

You are practising respect when you...

- Speak courteously to everyone.
- Take special care of the belongings of others.
- Are receptive to the wisdom of elders.
- Honour the rules of your family, school and community.
- Expect respect for your body and your rights.

Affirmation

I am respectful. I honour the wisdom of elders. I treat others and myself as we deserve to be treated.

Bags of cash

You are all so amazing!

So far this year we have raised £200 with Bags 2 Schools. The last collection supported Year 2 with their printing outcome and the next one is towards a trip to Bristol in September for our Year 6 class.!

Our attendance stars are...

For the second week on the run, Year 6 win with 96.3%.

Toys in school

Please can you note that all toys including fidget spinners and cubes should not be brought into school.

We appreciate your support with this.

Year 1 triathlon stars

Year 1 had a fantastic day this week with visiting coaches Neil Eddy and Ian. They put the children through their paces with cycling, running and 'swimming'.

Year 4 movie trailers

Year 4 have been having a great time using the iPads to film and edit together some movie trailers. They used props and costumes to add realism to their trailers and they have turned out brilliantly! The horror genre ones were especially scary!

Year 5 art at Gwithian – Report by Rose Ward

Swordfish Class on Tuesday spent the day at Gwithian Nature Reserve and Beach as part of their Art Project. We started our trip by stacking stones one by one to create a tall tower. It was hard work balancing them! Blake, Rose, Connor, and Henry's group won the tallest stone tower and the wackiest stone stackers were Valdone and Halime.

Not long after, we made our way to the sandy part of the beach and started to draw in the sand. There was a variety of pictures such as: Volcanoes, a Wall of names, Miniature football pitches, emoji's, a pig and writing in the sand.

We laid our coats on the sand and got our precious sketchbooks out and propped them up in our laps. It was a marvellous sight with all the unnaturally shaped cliffs, the misty sky and the choppy sea. Then we started to sketch. The cliffs were so very detailed that it was a very challenging task to draw. Carved naturally into the cliffs were caves partly covered in moss. A great day was had by all.

Coming soon...

Lots of exciting events coming up at Newlyn School over Summer term.

- Summer Fayre
- School Show
- Maze Day
- Gourmet Night
- Dog Show

Dates to follow
