Friday 22nd September 2017

Dear Parents and Carers,

It's been a lovely week, with lots of activities for the children to enjoy here at Sacred Heart. They have got off to a flying start this September and I'm pleased to see so many keen to get involved in the extra-curricular clubs and opportunities on offer.

There's a lot more coming up this term so I have provided a list of key dates for your diary below. Many activities will have additional letters coming out about them, but I have included them here so that you can take note of the dates. I hope that this helps you with forward planning.

Attendance

Attendance has been good so far this term, and is something to celebrate. If your child is absent, we always check that we know where they are. When you ring up and leave a message to report your child's absence, please leave your child's name and class and please could you say how long they are likely to be absent? If we do not have this information we will continue to call you on each day of your child's absence.

Lost Property

The lost property mountain is already reaching new heights! Next week, weather permitting, the lost property will be laid out on the wall in the Key Stage 2 playground for you to collect. Anything not collected by Friday will go to charity.

Please remember to label ALL your child's school uniform so that we can more easily return lost items to your child.

Road Safety

You will be hearing more on this subject from the children when they participate in Road Safety week in October. The school is surrounded by roads which pose a hazard to our children due to the number and speed of vehicles on these roads. I have been working with a group of parents to communicate to the council our concerns about this. The PA have also been involved in these discussions and we have been given a £500 grant from the council to support us in our work.

The most pressing need is for all those collecting or dropping off children to park responsibly and with consideration for our neighbours. I know of one incident this week where a neighbour was prevented from specialist transport picking up her child because the driveway was blocked by the car of one of our families. Our school is clear that we behave with "Care, Courtesy and Commitment" and I like to think that this extends to our neighbours too.

Thank you for your co-operation in this matter.

Arrangements for the End of the School Day

Thank you for your co-operation in standing back behind the wall as the children come out of school and for waiting until the children have been dismissed before speaking to the teachers. We are always happy to see you.

From today, the teachers are going to be strict about not letting children back into the building at the end of the day. This is because if they return to the classroom or cloakroom areas they will be unaccompanied and there is a danger that if they have an accident, there will be no one there to help them. The teachers will remind the children of this rule, and to collect their bags and lunchboxes before leaving.

On the rare occasion your child may leave something behind that they cannot wait until the next day to collect, please come to the office where we will arrange for a member of staff to accompany them back into school. Thank you for your co-operation in this matter.

Yours sincerely,

Mrs M Jackson
Headteacher

Diary Dates:

Date	Time	Activity
Week of Monday 25.9.17		
Monday 25.9.17	4.30pm-6pm	Governor Training
Tuesday 26.9.17	8.55-10.30am	Yr 5 Learn Together Morning
Wednesday 27.9.17	8.55-10.30am	Yr 6 Learning Together Morning
Friday 29.9.17	8.55-10.30am	FS2 Learn Together Morning
Friday 29.9.17	3.30-4pm	PA cake Sale for Macmillan to take place in the outdoor classroom. Sports club to take place in infant hall
Week of Monday 2.10.17
