Dear Parents,

It is with the greatest pride and joy imaginable that I can finally report to you the outcome of our recent inspection.

We are delighted to report that we are officially an OUTSTANDING school.

Judgements are made on a variety of foci; outcomes for pupils, leadership and governance, teaching, behaviour, pupils' moral values and attitudes, outcomes for pupils and early years provision. I am proud to say that we were judged outstanding in all areas as the inspector listened to the whole school family 'tell our story'.

Our pupils totally sold the school! Our inspector, an HMI (Her Majesty's Inspector) said the behaviour and attitudes judgement was the easiest he had ever made.

His positive comments left us humbled by the responsibility that goes with upholding the values of an outstanding school and the status that holds within the profession.

I am sure you will join me in congratulating the staff and pupils for their hard work over the last few years as we grew our learning culture and maintained high standards within the school.

A final word must go to you. The inspector said he rarely comes across such overwhelming support for a child's school. Staff want me to thank you for your trust and loyalty.

The report can be accessed on the Ofsted website at; <http://reports.ofsted.gov.uk>.

or on the school website at; www.sithney.cornwall.sch.uk

or further paper copies can be requested at the office.

This is the sort of letter most Head teachers dream of writing. What a wonderful honour to be at the helm and see our school succeed.

Thank you for everything!
