Hope

Dear parents and carers,

I would like to thank all the children, staff and governors of St Maddern's School for making me feel welcome this week. It has been good to get to know the children, who seem keen to learn and the staff who are exceptionally caring of your children and help to promote the Christian ethos of this unique school.

Although I am not at St Maddern's full time my aim is to be in school for some time each day working around other long standing I have at St Mary's at this time of year. However, it is only 10 minutes away by car and the school can easily contact me.

I expect you have many questions and queries. I would like to assure you that all the events planned for the end of the summer term, which is ALWAYS busy, well go ahead as planned. Unfortunately I will not be able to join you for Sports Day on Monday 11th July as I am in London at a Maths Hub conference; this is an initiative that will benefit all school in West Penwith. I hope Monday is sunny and that the Sports Day is a success.

Summer Concert

All parents and carers are invited to our Summer Concert on Wednesday 12th July at 2pm. Come and hear the children's performance and also share in cream tea!

Residential trip at Heatree

We have been working hard to ensure all final arrangement at in place for this trip. I have asked Mr Andrew Varker from St Mary's to accompany the children on this trip and Mr Varker started to get to know the children yesterday afternoon at pre-residential session with the children of St Levan School who are also going to Heatree. We are inviting ALL parents and carers of children going to Heatree to a meeting on Tuesday 11th July at 3pm. A full kit list will be given out at the meeting and final forms completed.

If any parents or carer has ANY issues however small they need to discuss with me then please contact the office to make an appointment. I strongly believe that sorting out things when they are small avoids problems.

I look forward to working with you and your child to build strong supportive relationships that will benefit the education of your child.

Yours sincerely,

Hilary Tyreman

Acting Headteacher
