

St.Mary's Catholic School EYFS Newsletter Autumn 1

Dear Parents and Carers,

Welcome to the first Early Years newsletter for this year. It is specifically for Nursery and Reception giving you up to date information on what the children are learning this term, as well as news and dates that are important.

Thank you to all the parents that attended the meet the teacher meetings. It was a good opportunity for us to share what is happening this term as well as working together to support your child.

I can't believe that we are coming to the end of September already. The children have really embraced learning about themselves and each other.

I am extremely proud of all the children and how well they have settled into their classes and routines. They have been busy exploring all the learning opportunities and are happy with their achievements.

If there is anything that you would like to discuss then please remember our door is always open.

Many Thanks
Miss Correnti
