School Council's Marvellous MAT Meeting

On Wednesday, our School Council joined a meeting of all of the School Councils from our MAT partner schools. They had a great time and will be sharing more of their day with the rest of the school next week.

Safer Internet Week

It will be Safer Internet Day on Tuesday 6 February and we have decided to extend it to the full week to help promote and better inform students, teachers and parents about this important topic. It will centre around "create, connect and share respect: A better internet starts with you". Years 5 and 6 will take part in workshops with Mr Mather from the MAT. He is a former policeman with a wealth of experience in e-safety and he will launch the week with an assembly on Monday morning.

Reading Drop In Changes

There will no longer be a Reading Drop In on Wednesday mornings as we have not had any readers dropping in on that day but you can still join us on Mondays after school and Friday mornings and we hope to see you there.

Chicken Rota—Help Desperately Needed

Do you have time to spare at the weekends to help to look after our chickens? There have been a number of cases of Bird Flu in the UK so unfortunately they are unable to be let out into the grounds so they need a bit of love and attention to ensure they are ok! If you can spare an odd day at the weekend, please let us know. Thank you.

The Dragons Need Our Help!

Please could you send in any spare items that you may have for junk modelling for Year 2 so they can use it to help the dragons return home by creating a Dragon Machine. It is a very important job and the dragons are relying on us—please help!

New Home/School Agreement

We have updated our Home/School agreement and will be sending it out next week. Please could you read through it with your child(ren) and return it to school. Thank you.

A Massive Thank You for Donations

James Lee House were very grateful for all of the donations of warm bedding, clothing and coats for the homeless. They thanked Pride for organising the collection and asked that we pass on the thanks to the school community. They will be passing on relevant items to the YMCA to share with those who are sleeping rough.

After School Clubs

Club letters will be coming home next week for the clubs we are offering next term, please watch out for them and return them as soon as possible so that we can let you know before the end of this term if your child has been successful in getting a place.

Please could we ask that you make a note of the dates for clubs or keep the original letter (we will also put copies of all club letters on the school website so that you have the full information). Thank you.

Please Help the Office!

Please could we ask you to help us in the office by remembering to send in your children with all of the items that they need at the start of the day. The office is a very busy place and it is becoming increasingly difficult to complete tasks to our usual high standard such as: organising trips, organising clubs and enrichment, ensuring medicines are given when needed, ordering and paying for items needed in school etc.

It is difficult for us to get items to the classrooms as we are unable to leave the office unmanned so if we do need to pass items on, it often interrupts lessons.

Please can you help us by reminding your children to bring the correct items into school each morning and to bring them home at the end of the day. Equally, please could we ask that you observe the opening hours of the office (8.30 – 9.30 am and 2.30 – 3.30 pm) for any non urgent queries such as cardigans, jumpers, water bottles, items for after school clubs etc.

Why not make a note of important dates (such as club dates with finishing times, class assemblies, school trips, swimming lessons) or refer to the week to a view on the newsletter. We would really appreciate any help you could give us!

Carol's Corner

Next week we are on Week 2's menu. Pizza, chicken paella, gammon, lamb stew, sausage, roast dinner, tomato and mascarpone pasta bake, fish portion and Cajun chicken are the main choices. Desserts include fruit crumble, upside down pineapple cake, sticky toffee pudding and cookies

This week we welcomed Reception and Year 1 parents to join us for lunch. Overall we served 44 parents/carers. When all questionnaires have been collected we can then share the comments with you

This is what Libby and Mollie in year 6 said about their lunch on Thursday ...

"Carol's Macaroni Cheese Review.

We thought this meal was very flavoursome as it had a great taste of cheese and the juicy tomato was sweet and added to the cheesy flavour. We would rate this 9/10 as we thought it had too much sauce. But over all this dish was delicious."

Thank you girls for your review!

Have a lovely weekend

Carol
