## Water Polo Players Wanted!

Warrington Water Polo club are looking for good swimmers, boys and girls, to try out for our 2018 U13, U15 and U17 Water Polo teams. Training is at Orford Neighbourhood Hub on Saturday evenings and Lymm High School on Monday evenings.

Water Polo is a physically demanding sports - players need to tread water constantly, swim up and down the pitch and wrestle opponents all whilst trying to score goals - it's ideal for children with lots of energy and great for physical development. If you are swimming already with a competitive swim club, you can use your existing swimming skills to play a fast paced, competitive team sport, adding fun and excitement to your regular swim activity. There are spaces for goalkeepers currently in our u13 and u15 squads so if you're a football goalie, can swim, and would like to try out please come along. Please take a look at the video on our web site <http://www.warringtonsc.co.uk/water-polo>

Trials will take place on Saturday 6 and 20 January 6-8 pm at Orford Neighbourhood Hub. The contact details and to register are: 01925 967172, [warringtonwaterpolo@gmail.com](mailto:warringtonwaterpolo@gmail.com) or you can message them through Facebook

We are looking for boys and girls aged 10-16 for the new 2018 season.

To train & compete players need to be strong swimmers as its an end to end game, competitive, fast & physically demanding.

It's also exciting, challenging, fun and a fantastic way for swimmers to put their aquatics skills to use in a team sport.

Our club has won four local league competitions this year, and players have competed at local, regional, national and International level

## Carol's Corner

154 children joined us yesterday for their Christmas dinner. We hope they all had fun—we were pleased to hear some of our current Year 6 children saying that it had been 'the best Christmas school dinner ever'!

When we return on Monday 8 January, we will be on week 1 of our menus. We have also introduced our 'Salad Bar' and it has proved very popular - see the photograph below. The children are able to help themselves to the salad that they would like.

If your child is absent from school on a day they have ordered hot snack and you would like to use a credit, please still complete a snack menu for the following week and indicate at the bottom that you are taking that day as a credit to remind me of what you are doing! The snack menu needs to be completed fully with your child's name and class on every day a snack is ordered. Some menus are even returned with no name on at all!

Mollie Swann and Libby McNorton have written a review for my curry and I wanted to share it with you ...

'We really liked this curry, so we would rate it 10/10. This is because the chicken had a lovely tender taste to it and the sauce had a lot of flavour. We do suggest that you try this curry, as it is very flavoursome and delicious. Once again, please try the curry.' By Mollie and Libby Year 6.

Have a lovely Christmas and the very best for the New Year!
