Meeting author Chris Riddell

On Thursday class 4 and 5 went to St John's Hall to meet children author Chris Riddell.

Here is a report from Helena Class 5:

'It was really exciting to take part in a once in a lifetime opportunity to meet a famous author. I have one of the books that he has illustrated so I knew who he was. When I got home I attempted to draw some of the pictures from the book. He showed us lots of his books and illustrated different little stories for us. At the end we asked him some questions about his inspiration.'

Signed copies of his books are available from the Edge of the World Bookshop.

Year 2 visit to the Maritime Museum

"We went to the Maritime Museum. First we went to see Job Klinak. Next we made some amazing, fantastic boats then we sailed them".

Children's University

Please send you child's passport into school next week so we can accredit hours and give out certificates so far before half term.

If your child has lost their passport then please let the office know. We should be able to replace.

National Poetry Day Thursday 28th September Freedom

As a school we celebrated National Poetry day. The theme for this year was 'Freedom' and each class explored this in their own way. The children produced and performed poetry in a variety of groups. Here are some poems from the day:

Science or Words? By Ysella.

Freedom, love and God three words that come from the head

Where me and you won't be apart.

Where green grass grows,

And wild wind blows.

Peace and harmony shows.

Flowers bloom in May.

While animals like to play.

For all these creatures have a heart.

To keep them safe you must play your part.

From sunny spells and calming seas.

To a blowing breeze with you and me.

God made the world but not all.

For who knows... Science or words?

Freedom Means to Me -

Evelyn, Spike, Milo, Jordan and Julliana Class 5.

Freedom means to me being able to explore and climb trees without anyone telling you what to do.

Freedom means to me playing on my Wii at five in the morning (Shhhhh!).

Freedom means to me being able to walk my Chihuahua Raff and my Labrador Knight at the Rec, on my own.

Freedom means to me being able to play on my bike and my scooter on my own.

Freedom means to me being able to swim in the sea and go snorkelling to see all of the creatures there.

We are so lucky to have freedom.

Secret Garden thank you!

Thank you to all parents and carers who helped with the secret garden makeover last weekend. Flower-beds were constructed, bricks laid, bacon sarnies cooked by Mr Varker and we can now see the new design taking shape. Please join us on Saturday 13th October 8:30 -13:00 October when we will look to lay the final granite blocks, attach the bench tops and insert fence posts for the entrance to the area.
