Dear Christine et al

What a wonderful
'Frog Bash'! It must have taken
some organisation and diplomacy
to connect it all together but it
really did work well

It was a real Community
Event, helping to join together
St Davids in such a sensible way.

I had a lovely time.

I really enjoyed my
burger, and all the
hils a bobs I bought.

I always enjoy watching the News
Dancers.

I hope all the organisations
made as much money, together as
they would have made separately,
and that they continue to celebrate
- the same way next year.

With Best Wishes to you all!
