SAFEGUARDING

Thank you to all those parents (Reception / KS1) who have given their secret password to be used for collection. Please provide us with one if you have not already done so, as we will not dismiss your child to another adult without it. Thank you also to the parents of KS2 children who have notified us of collection procedures.

Your child's safety is of the utmost importance to us.

Davenies Maths Challenge....Last week Mrs Fallon took four children from Year 4 to Davenies School to take part in a Maths Challenge. They had to solve lots of tricky problems and puzzles in a competition against other local and private schools. Each pair was in a group with 26 other schools and performed marvellously ! We came 5th and 7th! What an amazing result! Well done to all of them!

Goodbye Mrs Murphy

It was with great sadness that we said goodbye to Mrs Murphy this week. After 28 years of service to the children of St Joseph's, we wish her all the very best as she begins her retirement and a well earned rest.

Thank you

A huge thank you to all those people who attended my Induction Mass this week. So much work went into preparing the evening and I would like to thank each person who played a part in this very special event. A very special thanks to Nan and all the children who sang in the choir. The uplifting music enabled all those in the church to feel the closeness of God. Thank you.
