Attendance

It is so important for children to attend school every day and on time, to receive the optimum amount of learning they can. Here at St. Joseph's, we encourage this by rewarding the class with the best attendance, the attendance bear. We want the very best for every child, which can only be achieved by regular and punctual attendance.

Welcome back to school everyone. We have had a wonderful start to our academic year. I would like to extend a very warm welcome to all the new pupils and families that have started at St Joseph's. It is wonderful to see the school come back to life after a quiet summer. I would also like to welcome our new staff members: Miss Kelly, Miss Hughes, Mrs Golding and Mr Brennan.

I hope that they have felt as welcome as I have in my first two weeks here.

CURRICULUM

I was delighted to see so many enthusiastic parents attend the curriculum meetings this week. It is so good to know that the parents of St Joseph's are passionate about their children doing well and are ready to help. I hope that you found it informative and helpful. Please remember that class teachers are available from 3-3:30pm every Wednesday, should you wish to speak to them regarding your child.

SCHOOL UNIFORM

It is clear to see that the children of St Joseph's wear their school uniform with pride. Please encourage them to maintain this high standard as the year progresses. Looking smart enables you to feel good, which has a positive impact on your self-esteem and your work. If you are unsure about the school policy on uniform, please refer to the website.

SAFEGUARDING

Safeguarding your child is paramount for every adult that works in St Joseph's School. This is why we have specific dropping off and collecting procedures. It is important that we work together to ensure that every child is handed over to the correct adult. If you are collecting from the KS2 playground, please wait in the middle of the playground, so that staff can get their classes to their drop off zone. Your support and cooperation is greatly appreciated.

CONGRATULATIONS... We extend our congratulations to Mrs Scott and her husband, as they announce the pregnancy of their first child. We are delighted and await the safe arrival of a St. Joseph's Baby .
