## Attendance Cup

The attendance cup was awarded to Year 3 this week for their 98.6% attendance.

Keep up the good work.

## Spring Daffodils

You may have noticed the lovely blooming daffodils on the entrance to Lanmoor Estate. These were planted by volunteers some time ago to enhance the area for all to enjoy. It has been brought to attention that flowers have recently been picked. Please could you not allow your child/ren to pick the daffodils from any grass verges in the village.

## Science Week

On Tuesday the whole school participated in science investigations to celebrate Science Week. The morning began with an exciting assembly led by Mr Pidwell and some of his students from Redruth School. We were then set challenges from class teachers to either create an egg lander to protect an egg, create a bridge to hold 1kg or investigate which

foods gave off the most energy. The children had a great day and we look forward to finding out who Mr Pidwell will award prizes to for being the best scientists!

Notice: Lanner School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

## Football Competition

Some pupils from Year 5 had the opportunity of visiting Redruth School this week to take part in their Football Tournament. Our Year 5 were good team players and supported one another at their first tournament. They had a very positive approach and were a credit to Lanner School. We would like to thank Mrs Pascoe who coached the Team throughout the competition.

## Jack and the Beanstalk

Maizie Oakes from Year 2 brought in this wonderful edible creation this week as part of her homework topic. A box made into a castle with lots of cupcakes with golden eggs. A fabulous effort Maizie!
