Spring Term Issue 4

Dear Parents and Carers

It's been an exciting week in school as we hosted the first of the Crofty School's 'University Challenge' competitions. The competition involved teams of Y5 children from the Crofty Schools answering questions on different topics such as History, Maths and music which they all thoroughly enjoyed! The questions were asked, the scores totalled and the winning trophy was awarded to...LANNER! Congratulations to our winning team - William Marshall, William Tucker, Kerensa Luke and Isla Stevens! Thank you to Mrs Merrifield who organised and ran the event. Well done to all of you; we are very proud of your efforts and we are delighted to be the first winners of the Crofty University Challenge! Next week we are holding our Valentine's disco for KS1 and KS2. Please see the posters for times and remember to buy your tickets from the office. We're looking forward to a fun evening.
