Year 3 School Visit - Carnglaze Caverns

We were excited as we travelled the long way to Carnglaze Caverns on the coach.

When we arrived, we had a tour in the caves and we learnt all about rocks. There were people working inside the caves called Miners and some people even saw bats. It was very dark inside and deep in the cave, we found a large pool. One of the pools was even 9.5 metres deep.

My favourite part of the trip was the woodland walk because I liked standing underneath the beech tree and passing messages back to Mrs Pooleys group.

By Megan Spilsbury and Casey Williams.
