Spring Term Issue 2

Dear Parents and Carers

Last term I sent out a note asking you to choose five values that you think are really important for your children in school. Children, staff and governors also contributed to it. Having tallied up the results, I can announce that the top five values chosen were happy, confident, respectful, honest and resilient, closely followed by 'aspirational' which we have decided to add as a sixth value. These values will form part of our work with the children and will also be on our website. Thank you for sharing your thoughts on this with us.

Next week we will be starting a new initiative called 'The Daily Mile'. This is a national scheme, which will help to improve physical fitness but is also beneficial to mental health and learning. Please see the attached letter for further information.

Finally, we are launching a new reading challenge today, which we hope will help to engage the children more fully in their reading. Look out for the reading challenge sheets in book bags!

## Attendance Cup

The attendance cup was awarded to Year 3 this week for their 100% attendance.

## School Communications

As you are aware, we no longer send hard copies of letters/newsletters due to opting for a 'paperless' office. We now send communications via email or text. However, we understand some parents are not able to receive emails. In this instance, could you inform the office if you require hard copies.

## PE Kits

Do you have any spare PE kit at home that your child/ren have out grown? We require red t shirts, black shorts and jogging trousers for spare. All sizes required.

## Menu Change

Please note the vege option on Wednesday 24<sup>th</sup> January will be Quorn roast.

## Reminder - Heart Start

Jayne Pascoe will be running the Heart Start workshop on 26<sup>th</sup> January in Lanner School Hall (1pm-3pm) for any parents wishing to come along.

## KS2 Rhymecraft Competition

Would you like to take part in a poetry competition? Not only is it a fun activity, but you could see your work published in a real book! Forms are available from the office on a first come first serve basis as we only have 30 forms. Forms must be returned to us by 5<sup>th</sup> February.

## Play Equipment

We have some new play equipment for both KS1 and KS2 to use at break times. There are skipping ropes, footballs, long ropes, tennis rackets and even more! We've only had them for about a week, but they've already made a big impression. Big thanks to Lanner Parish Council for giving us the money to buy them! We still have some money left over, so we'll be getting some more playground toys soon.

## Harriet T - Year 6

### Reminder - Car Parking

It has been noted that some parents are still waiting for the gates to be opened before the allocated time of 3pm. Please do NOT queue before 3pm.

### Help Required

We require a man (or woman) with a van! Does anyone have any spare time who could help to remove two heavy laptop trollies and take them to the scrap yard. You would need a transit-size vehicle and a ramp. Your help would be greatly appreciated!

### Office Help

Thank you to Tamsin Watson, one of our school Governors, who has kindly offered to help in the office on a voluntary basis.

### Sport Clubs - Changes

Due to building maintenance taking place next week, could you collect your child/ren from Y3 overhang on Tuesday (23<sup>rd</sup>) and Wednesday (24<sup>th</sup>).
