

Hello from Mrs Robinson!

I have worked at St Mary's since becoming a teacher 3 years ago. I have had the pleasure of teaching in every year group in KS2 and each one brings its own pleasures and challenges! It is amazing to see the changes in the children as they move up through the school. My foremost motivation when working with the children is ensuring that they feel happy and safe at school - yes they are here to learn - but if they are not happy the learning won't come. My guilty pleasure is reading, if I could read children's books all day, that is what I would do - just ask the children, they know how many books I have!
