

Hello from Mrs Berry!

I have worked at St. Mary's School for 15 years and have taught mostly Year 6 classes in that time (my favourite year group, it has to be said). I love my job, especially the Summer term and production time when we perform an extravaganza of a show in the Big Top! I like to encourage children to work well as a team and support one another. SATs can sometimes dominate but building confidence and perseverance is really the goal and to realise their true potential. There is a favourite book that I read with my son at bedtime which sums up to me what education for children is all about: "You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the one who'll decide where to go..." — [Dr. Seuss, Oh, The Places You'll Go!](#)
