Dear Parents and Carers,

## KSI Celebration of Music

Many thanks to Josie Peach for co-ordinating our creative music curriculum for Hedgehogs and Foxes this term. The children have really enjoyed their sessions and would like to share their experience with you in a special assembly on Friday 24<sup>th</sup> February at 9am.

We would like to thank the HSF for enabling these music sessions to happen. We are delighted that Josie will be working with Badgers and Owls in Term 4.

## Safer Internet Day

We have been exploring the power of image in our whole school assembly this week and will be following this with activities in class. Children have been encouraged to talk to family and friends about the photos they share, and understand more about how to share photos safely. For more information, please see <http://www.childnet.com/>

## Maths Reasoning Day

We are very excited to be welcoming Andrew Jeffrey, Mathemagician, to the school on Friday 24<sup>th</sup> February. He will be joining us to enrich our learning through an interactive 'Magic of Maths' assembly. This will be followed by practical reasoning lessons across key stages and teams.

**WE NEED YOU!**

## HSF Meeting Wednesday 1<sup>st</sup> March

The HSF have been working extremely hard this year in their fundraising efforts for the school.

To improve this fundraising further, and to develop a willing team of volunteers, we are calling for all parents and carers to join us for a meeting on Wednesday 1<sup>st</sup> March at 3pm in the Hall. There will be activities available for children and siblings in Hedgehogs Class.

## Dates for your diary!

Please note these dates are not exhaustive and can be subject to change.
