Dear parents / carers

We have had a great week in school with so much happening. We have had the release of our new video, calendars given out to every child and a cricket coach in to teach the ARB. We received a lovely letter from the food bank this week sharing that we donated over 92kg of food, a great achievement.

If you haven't received a calendar, please pop in to the office to pick one up. Please note, dates may change, and if they do, lots of notice will be given.

Have a great weekend.

Best wishes

Mr Hadley and Mr Hitchens

Heads of School

REQUESTS FOR ABSENCES IN TERM TIME.

We have already received 25 requests for leave in Term Time.

Parents do not have entitlement to take their child out of school for a holiday in term time, therefore no term time holidays will be approved

The law states that a planned absence from school should only be authorised for students in 'exceptional circumstances'. Here at Penryn Primary Academy we recognise that there are occasions when it is appropriate to authorise an absence; we look at each request on its own merit, taking into account purpose, attendance history and study commitment and seldom authorise a request for students in all years. We believe a student needs to attend in order to achieve their full potential.

Penryn Primary Academy is committed to maximising the education of all its pupils and aims to work with parents to ensure this can be achieved. If you would like to discuss this matter further, please contact the school.

RECEPTION PHOTO

The new intake Reception photo will be in the Falmouth Packet next Wednesday if you would like to take a look.

OLD POUND COINS

The old style pound coins will soon be going out of circulation. Please note that we will not be accepting the old pound coins after 7th October.

MAKATON SIGN OF THE WEEK

"Being able to communicate is one of the most important skills we need in life. Almost everything we do involves communication; everyday tasks such as learning at school, asking for food and drink, sorting out problems, making friends and having fun. These all rely on our ability to communicate with each other.

Makaton is a language programme using signs and symbols to help people to communicate. It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.-
