Dear parents/ carers,

We have had a great week in school! A massive thank you to everyone who supported with donations for our Harvest Festival. The donations were taken down to the Falmouth and Penryn Foodbank and it was lovely to see how this wonderful resource works. Boxes for individuals or families, with a chosen few selected, are prepared and labelled to hand out. It was a shame that we were unable to go to the Methodist Church for the service due to the weather, but we were able to host it in school and had two lovely services on each site.

The Penryn Partnership sport leagues commenced this week, with the netball team playing well but unfortunately losing. The football matches were postponed due to the weather. Both teams are quietly confident ahead of the new season, looking to build on their work last season.

Please can we remind you about our wonderful Breakfast Club that we provide from 7:45 every day, based at the EYFS/KS1 site. The charge is £2.00. There are several children who are arriving in the school play court extremely early. Please can we remind you that children must not arrive before 8:30, especially unaccompanied. If children do arrive before 8:30, we will be sending them to Breakfast Club and we will invoice parents for this.

Do we have any parents who are interested in outdoor learning? We are currently looking for adults who can support our outdoor learning lessons on a Wednesday. If you'd be interested in supporting, please contact the office.

Finally, do you read the newsletter? We spend a lot of time writing the weekly newsletter. Do you have any ideas of how we can improve our newsletters?

Have a lovely weekend.

Best wishes,

Mr. Hadley and Mr. Hitchens

HARVEST FESTIVAL

A big thank you for all the donations for Harvest Festival and for the offers of help.

KS2 CHOIR CLUB

KS2 Choir Club will start next Friday 6th October after school in the hall. Children are to be collected at the KS2 site at 4.00pm. If your child is interested please let Mrs Chan know.

TEMPEST PHOTOGRAPHS

The photographer is coming back into school on Thursday 5th October to photograph children who were absent on the first occasion.. Please inform your child's teacher if you require a photo.

HEALTH AND SAFETY REMINDERS

Footballs are not allowed in the play court before school.

Please can we remind parents/carers to use appropriate language when around the school. Can we also ask that parents/ carers refrain from smoking around the site.

We understand that parking is an issue around the school before and after school and we are working with the council to try and resolve this. If possible, please can we ask that parents walk to school with your children. Walking to school is a great way to start the day as you exercise, get the chance to talk to your child and reduce traffic on our roads.

Please can we also remind parents to respect the locals who live around our school.

MAKATON

"Being able to communicate is one of the most important skills we need in life. Almost everything we do involves communication; everyday tasks such as learning at school, asking for food and drink, sorting out problems, making friends and having fun. These all rely on our ability to communicate with each other.

Makaton is a language programme using signs and symbols to help people to communicate. It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.
