Dance Umbrella

Wow! What a night! Another truly successful performance from our brilliant and rhythmic Year 2's. They certainly stole the show (not that we're biased!). A huge thank you to Sara for her choreography and time. And a big thank you to all staff and parents that supported us in being part of this amazing show.

Arlo said 'My mum said that we performed in front of more than 4000 people! It was amazing. My mum said she cried happy tears.'

Erin said 'I really liked watching other schools perform. One school did cartwheels and backbends. I really enjoyed our dance. My mum said that she was proud.'

Leo said 'I thought it was incredible because they played my favourite song three times. My favourite song is 'Can't Stop the Feeling'. I know all the words.'

Hero Earth Hour

A reminder that this Saturday is Global Earth Hour where everyone is encouraged to power down and turn off their lights for one hour at 8:30pm.

Toilet Twinning

Reception had a fun time facepainting and making picture frames to take their funny photos home.

Dylan said 'I love, love, love, love, loved it because I got to be batman!'

Year 1 ran a whole mile doing laps around the playground. **Sulli said** 'We ran a whole mile in two days. I felt tired and sort of normal at the same time.'

Vivi said 'The running was fun but hard work because we had to go round the playground 30 times.'

Schools without Walls

Year 1 have been having a wonderful time once a week working with James on our 'Schools without Walls' project. They have been exploring machines inspired from the visit to the *Museum of Bath at Work* and they have made their own models. They have looked at old collections and interviewed two people from the community about their own personal collections. Children have now been inspired to make their own maps.

Bibi said, 'I liked doing the maps because I liked cutting out the buildings and drawing on lots of detail.'

Layla said, 'We made a map from school to the museum and I put some extra flags and I coloured it in. I worked with my friends Ella and Lottie.'

Play time pals

Here are Liv and Rosie leading China class in from play. They are wearing hi-viz jackets because they are two of the Year 2 Play Time Pals. Their role is to keep a watchful eye on all children making sure that everyone feels happy and included. Children know that if they feel lonely they can approach a Play Time Pal and that they will help them find their friends, help solve a problem or direct them to a grown-up if needed. Well done Year 2's you are helping to 'Show we Care'.

School Vacancy

Nursery LSA role Fixed Term Contract from 24th April 2017 to 31st August 2017. The post is for four days a week and is fixed Term pending review of staffing structure. The closing date for applications is Monday 3rd April. For further information please contact the school office.

News From the School Council

Each class has now voted on their preferred options and school council have taken them to Lisa, our school cook, for consideration. We are trialling the two successful dishes on Thursday 6th and Friday 7th April.
