New Website

The new look website became live this week, we hope you find it helpful.

Grafham Water – Residential

We hope everyone managed to look at the photos, posted on the website, of the children having a fabulous time on their residential trip. Over 500 photos were taken, not all were loaded onto the website but will be on the digital photoframe in the foyer after half term. Mrs Avant would like let you know how well behaved all the children have been and was really impressed with their positive attitudes and perseverance. FOBS - Aquathon

We have been invited to enter a team from Barrington School into next month's Home-Start Aquathon which is taking place on

Sunday 4 March 2018 at

Royston Leisure Centre

between 6pm and 10pm.

We just need 6 keen swimmers - the team can be made up of **children, parents, staff, helpers and/or family members.**

The event promises to be a lot of fun and a great way to get active (and it is not a race!) The team will swim in relay for 55 minutes. The Aquathon also provides a great opportunity to raise some vital funds for our school. Each team member is asked to obtain sponsorship from friends and family, with the money raised by the team being split equally between FOBS and the Home-Start scheme.

If you are interested in taking part and you know anyone else that you can encourage to help make up a Barrington School team of 6, please let Steph (FOBS) know on stephbranston@hotmail.com. Many thanks.
