

## Climate Change Agreement for AIC

# CCA Update

22<sup>nd</sup> December 2015

---

Please find below a short update on CCA related matters .

### Invoicing

Annual Fee invoices for 2016 will be issued in January. The new bank account details will be shown on the invoice but can be found at the end of this email if you want to alert your accounts team beforehand.

### 2016 reporting

A reminder that we will be sending spreadsheets to report your 2016 CCA data during January. As this is not a target period the timescales for completing will not be until March, so panic ye not.

### Corrections to first target period results

We have started to process requests to change base year and/or target period data where this produces a new target period 1 result. We will be in touch if you need to take any action.

### Recent government consultation

The Government recently consulted on business energy efficiency taxes and is now reviewing the numerous responses received. We are not expecting any further announcements from the Government until the Budget which is on 16<sup>th</sup> March 2016. We will keep you informed if there is any news.

### Webinars

For those that are new to CCAs, or who may need a reminder, we will be hosting two webinars in February – one for those new to CCAs to provide an overview of how CCAs work and your obligations, and the second on how to complete the 2016 reporting spreadsheet and what it is telling you. We will announce the dates in January and if they prove popular we will run more.

### Helpline

We will be taking a short break over the festive period to recharge our batteries. The helpline will close at 1pm on 24<sup>th</sup> December and re-open at 9am on 4<sup>th</sup> January 2016. We hope you all have a lovely festive period too.

### New bank account details for Annual Fee invoices

SLR Consulting Ltd, Bank Details: Lloyds TSB, Account No: 02560066, Sort Code: 30-94-28
