Food Science	Mars R&D Nestle	Bakkavor

Many science based opportunities require a degree. This is true of local companies like Biogen, Pharmalink, Lonza, Syngenta, AkzoNobel and Covance. However, the situation is changing. Every year, more pharmaceutical companies see the benefit of employing school leavers.

Companies Offering Degree and Higher Level Apprenticeships

Jaguar Landrover	DESG (Defence Engineering and Science Group)
The Environment Agency	GCHQ
Aecom	BAE Systems
Barclays Bank	Airbus
Grant Thornton	Thames Water

This list is not exhaustive and the situation is changing all the time.

The Tech Partnership www.thetechpartnership.com

This is an exciting (and developing!) collaboration of companies working together to create new degree apprenticeships. Go to the above website. Some of the companies are familiar and appear above but new companies are joining on a daily basis.
