Checking your BSkyB Purchase Order

If you have not transacted with BSkyB before, you may wish to contact BSkyB to confirm the Purchase Order is genuine. Here are some useful things to check on your Purchase Order.

1. The Purchase Order comes from a known BSkyB employee

The Purchase Order is from a known BSkyB employee whom you have previous successful commercial dealings.

2. Email address is in a valid format

The format of the email address used in BSkyB is firstname.lastname@bskyb.com

Other email formats are not valid and should be considered as not originating from BSkyB.

“...@bskyb.co.uk” or “...@sky.com” or “...@BSkyBuk.com”

3. The corporate logo is used correctly

If the BSkyB or Sky logo is fuzzy, blurred or using unusual colouring. This may indicate the image has been copied and is being used without our permission.

4. It does not use broken or poor English

If the Purchase Order uses broken or a poor standard of English, this may indicate the Purchase Order is not genuine.
