

## End of Year Expectations for Year 4

### Reading

- Read age-appropriate texts fluently and for an increasing period of time
- Use knowledge of prefixes, suffixes and root words to understand new words
- Use a dictionary to look up the meaning of new words
- Express an opinion about a text, including likes and dislikes
- Make predictions based on what has happened and using own experience
- Can retell known stories accurately and confidently
- Begin to summarise sections of a text
- Compare texts by the same author
- Explain why a writer has used words/phrases/different sentence types and the effect it has created
- Can scan non-fiction texts to locate information and/or answer a question

### Writing

- Write at length across a range of text types (narrative, non-fiction, poetry), showing an understanding of audience and purpose
- Read aloud own writing clearly, with appropriate expression, tone and volume
- Use standard English forms for verbs e.g. 'we were' instead of 'we was', or 'I did' instead of 'I done'
- Use paragraphs to organise ideas
- Vary sentence structure, using different openers.
- Use noun phrases with prepositional phrases (e.g. the stranger with brown, curly hair)
- Use appropriate choice of noun or pronoun.
- Use fronted adverbials followed by a comma (E.g. Later that day, I heard bad news).
- Use inverted commas and other punctuation to punctuate direct speech
- Write with increasing legibility, consistency and fluency, including joining letters using diagonal and horizontal strokes

## Mathematics

- Count backwards through zero to include negative numbers.
- Compare and order numbers beyond 1,000, and numbers with up to 2 decimal places.
- Read Roman numerals to 100.
- Find 1,000 more/less than a given number.
- Count in multiples of 6, 7, 9, 25 and 1000.
- Recall and use multiplication and division facts all tables to 12x12.
- Round any number to the nearest 10, 100 or 1,000, and decimals to the nearest whole number
- Add and subtract numbers with up to 4-digits using the formal written (column) method.
- Multiply: 2-digit and 3-digit numbers by 1-digit
- Find unit and non-unit fractions of numbers and quantities (e.g.  $\frac{2}{3}$  of 24)
- Read, write and convert time between analogue and digital 12 and 24 hour clocks
