

Dear Parents,

I am delighted that you have accepted a place for your child here with us at Biddick Hall Infant and Nursery School. I am confident that your child will be very happy here and enjoy a very successful education with us.

In normal circumstances this term would involve transition meetings and visits, both to our school and staff visiting your child's current setting, if not attending our Nursery.

Due to current circumstances, we are now looking to how we can adapt the transition process to support both you as parents and your child to feel as fully informed and comfortable as possible in these difficult times.

We do not yet know the arrangements for September but please be assured that we are working tirelessly with safety of our whole school community always at the forefront of our minds.

Our school website [www.biddickhallinfants.co.uk](http://www.biddickhallinfants.co.uk) is a great place for you to find information about our school including policies, curriculum and school times. We upload any updates and letters about the current situation here as well as on my school app.

If you have any queries please don't hesitate to contact the school office at [office@biddickhallinfants.co.uk](mailto:office@biddickhallinfants.co.uk) or telephone 0191 4244859. May I take this opportunity to wish you and your family well at this challenging time.

Yours Faithfully
