

Welcome to Violet Class!

Hello, you are going to be in Violet Class in September and we look forward to meeting you. You did not get to visit Violet Class but we are sure you will enjoy it when you come after the summer holiday. There are 2 grown-ups who will help you in Violet Class. Here are our pictures. You may have seen us around school!

Learning in Year 2

There are lots of exciting things to learn and do in year 2. We learn about animals and their habitats and materials in science. We design and make our own Christmas card with moving parts and we cook harvest festival soup for your parents. In the summer we learn all about growing things and design a mini greenhouse to grow seeds. To help with your learning - ask your grown up to teach you the continents and oceans of the world.

In year 2, we have P.E. sessions twice a week so you will need your P.E. kit in school all week as well as a water bottle. We also, have lots of story times each week where we listen to wonderful stories but we still need more books! Could you choose a book for our class? We will use our school and class library every week too.

Visit the website <https://www.lovereadings4kids.co.uk/>, find a book you would like the grown-ups to read in class. Email your name, the title of the book and the author to office@biddickhallinfants.co.uk Type **Choose a Book** in the subject bar. Thank you.

Questions

We are really looking forward to meeting you all soon and your grown-ups too!

If there is anything more you would like to know about Violet Class please ask your grown up to put your questions in an email to our school office with the title "My questions about Violet Class" and we will make sure we get back to you.
