

Dear Parent/Carer,

We are now approaching the time of year when children would normally send Christmas cards to their friends in school.

In order to maintain safety and reduce items being passed in and out of school unfortunately I must insist that this year Christmas cards are not exchanged. Please do not send any Christmas cards into school over the coming weeks.

On a happier note, I am pleased to inform you that this years Customs House panto will still be able to go ahead due to the fantastic efforts of the team at The Customs House.

The staff at The Customs House have been working tirelessly to ensure children do not miss out on this annual tradition and have organised a virtual show so children are still able to see the performance. All they ask is for a donation to support their work.

The Customs House is a fantastic asset to our local area and has been significantly affected by the covid19 outbreak. Any donation in lieu of the cost of a panto ticket will be gratefully received. I would like to politely request that any money you would ordinarily spend on Christmas cards this year also be donated to support their efforts.

Please watch out for our panto donation bucket in and around school from next week.

Many Thanks

Mrs A Willis
Head Teacher
