

This assessment reflects the UK Government Guidance on Working Safely During COVID-19 in Offices and Contact Centres at <https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19/offices-and-contact-centres> and should be used in conjunction with existing Risk Assessments.

These are not explicit requirements that need to be implemented across each premises but should be used as guidance and good practice. The site-specific risk assessment should be completed for each premise and should include the specific control measures to ensure the health, safety and welfare of our employees and others for the premises. If for any reason none of the control measures can be put in place for a specific risk Health & Safety must be contacted.

This Covid-19 risk assessment should supplement your existing risk assessments.

Please consider some of these steps below before completing this risk assessment:

The Beacon Centre

- Date of assessment 28.05.20**

	Managing risk To reduce risk to the lowest reasonably practicable level by taking preventative measures, in order of priority.	Yes	No	Comment
1.1	Enable working from home as a first option. Where this is not possible, workplaces should make every reasonable effort to comply with the social distancing guidelines (keeping people 2m apart wherever possible).	YES	<input type="checkbox"/>	Staff rota of working in school building and at home produced and shared
1.2	Where the social distancing guidelines cannot be followed in full, in relation to a particular activity, consider whether that activity needs to continue for the business to operate, and, if so, take all the mitigating actions possible to reduce the risk of transmission between their staff.	YES	<input type="checkbox"/>	Covid RA details all measures taken by the school
1.3	If people must work face-to-face for a sustained period with more than a small group of fixed partners, then you will need to assess whether the activity can safely go ahead. No one is obliged to work in an unsafe work environment. In your assessment you should have particular regard to whether the people doing the work are especially vulnerable to COVID-19.	YES	<input type="checkbox"/>	Development of classroom bubbles Non classroom staff allocated work areas
	Who should go to work That everyone should work from home, unless they cannot work from home.	Yes	No	Comment

2.1	Workers in roles critical for business and operational continuity, safe facility management, or regulatory requirements and which cannot be performed remotely.	YES	<input type="checkbox"/>	Staff rota produced - staff only in building when they are on rota Essential workers (eg Site Supervisor) on site each day
2.2	Workers in critical roles which might be performed remotely, but who are unable to work remotely due to home circumstances or the unavailability of safe enabling equipment.	YES	<input type="checkbox"/>	All staff have been offered laptops & asked if they have broadband facilities at home All staff informed they are not expected to work traditional hours so childcare can be carried out safely
	Protecting people who are at higher risk To protect clinically vulnerable and clinically extremely vulnerable individuals.	Yes	No	Comment
3.1	Clinically extremely vulnerable individuals have been strongly advised not to work outside the home.	YES	<input type="checkbox"/>	See Covid RA
3.2	Clinically vulnerable individuals, who are at higher risk of severe illness, have been asked to take extra care in observing social distancing and should be helped to work from home, either in their current role or in an alternative role.	YES	<input type="checkbox"/>	See Covid RA
3.3	Managers to refer to the Occupational Health checklist for high risk (not extremely clinically high risk) employees during Covid-19 pandemic 2020.	YES	<input type="checkbox"/>	See Covid RA
	People who need to self-isolate To make sure individuals who are advised to stay at home under existing government guidance do not physically come to work. This includes individuals who have symptoms of COVID-19 as well as those who live in a household with someone who has symptoms	Yes	No	Comment
4.1	Enabling workers to work from home while self-isolating if appropriate.	YES	<input type="checkbox"/>	All at risk staff have been given opportunity to work at home All other staff working as per rota produced
	Equality in the workplace To treat everyone in your workplace equally.	Yes	No	Comment
5.1	Employers also have particular responsibilities towards disabled workers and those who are new or expectant mothers.	YES	<input type="checkbox"/>	All staff have been treated in a fair and consistent manner. Those staff with particular issues have been asked to work from home Expectant mothers have been asked to work from home and have not

				been added to staff rota
	Specific Hazards within the Service Area being risk assessed	Yes	No	Comment
6.1	Employers to ensure they include any specific hazards within their service areas which is not already covered within this template risk assessment.	YES	<input type="checkbox"/>	School operational - covered in Covid RA
	Cleaning of the building	Yes	No	Comment
7.1	Managers to refer to the separate Building Cleaning Risk Assessment completed by Facilities before completing this risk assessment.	YES	<input type="checkbox"/>	School employ LA cleaning staff - who will continue to work in school Employment of additional cleaner – PW will ensure this person works within cleaning recommendations As covered in Covid RA

Specific Hazards within the service area being risk assessed									
Entering and leaving work	All Staff	Virus transmission, lack of social distancing as per Government guidance.	4	5	20	<p>Guidance and advice are available via the councils web pages</p> <ol style="list-style-type: none"> 1. Staggered arrival and departure times at work to reduce crowding into and out of the office. Change of building layout - reduced staff and pupils level 2. Parking and bike racks available to staff, shower facilities available to staff should they wish to run, walk or cycle to work. Showers available. 3. Storage / lockers available for staff – in place for those who have requested them. 4. Introduction of one way entry and exit points which are clearly marked. Change of building layout 5. Handwashing facilities, and/or hand sanitiser available at all entry and exit points. Yes 6. Touch-based security devices such as keypads to be deactivated where possible. Yes 7. Staff encouraged to use stairs rather than lifts, if lifts are to be used social distancing must be maintained and hand santisier where available to be used when entering and leaving the lift. N/A - lift. See Covid RA re stairs - C/V building 8. Clear notice at each lift call point on every floor to identify maximum occupancy. N/A 9. Maintaining social distancing when using stairs. One set of stairs for going up and another for coming down to reduce the need 	2	5	10

						<p>for people to pass each on the stairs. See Covid Policy - stairs in C/V</p> <p>10. If this is not achievable staff informed to stick to the left-hand side when going up and consider others who may be coming the other way. See Covid Policy - stairs in C/V</p> <p>The Beacon Centre Action:</p> <p>1. See Covid RA 2. Reduced staffing & reduced pupil numbers</p>			
Moving around buildings	All Staff	Virus transmission, lack of social distancing as per Government guidance.	4	5	20	<p>1. Staff visiting other offices / floor plates to be discouraged. Staff and pupils given place of work</p> <p>2. Staff to only visit other parts of the building when essential. Staff and pupils given place of work. Movement required by SLT and for first aid.</p> <p>3. Open kitchen areas only one person allowed at one time to ensure social distancing. See Covid RA - C/V building adult only area - kitchen in there to be used when required.</p> <p>4. Closed kitchen areas Maximum occupancies (1 person every 2 metres) identified on the door N/A.</p> <p>5. Vision panels in kitchen doors kept clear at all times to assist staff in identifying visually if the capacity has been exceeded without opening the door. See Covid RA - C/V building adult only area - kitchen in there to be used when required.</p>	2	5	10

						<p>6. Accessing toilets restricting the number of people in depending on the size of the toilet need to be able to allow 2m distance between staff accessing the toilet and the hand washing facilities. Sign on door to confirm restrictions. See Covid RA - pupils to be escorted to toilet. Staff toilet - only 1 in main building - queue outside when in use.</p> <p>7. 1 toilet, per bubble to be in use plus a staff toilet, which is the disabled toilet.</p> <p>8. Floor markings/graphics where required to highlight social distancing. Graphics placed around school - creative of classroom bubbles.</p> <p>9. Opportunity to create 'lanes' to corridors and open plan areas so that people keep away from others working. Changed layout of building - classroom bubbles.</p> <p>1. See Covid RA 2. Classroom Bubbles and non classroom locations</p>			
Workstations	All Staff	Virus transmission, lack of social distancing as per Government guidance.	4	5	20	<p>1. Workstations assigned to one person, staff should not be hot desking. Marked to show in use. See Covid RA re allocation of non classroom staff</p> <p>2. Desks laid out to accommodate social distancing. Classroom bubbles and non classroom allocation of desks</p> <p>3. Staff should not be sitting face to face. N/A</p>	2	5	10

						<p>4. Desks not to be used will be taped to show out of use. N/A - staff allocation of desks in Covid RA</p> <p>5. Workstations and work equipment to be regularly cleaned. Covid RA - additional cleaner and staff responsibility for cleaning of their area after use</p> <p>6. Staff to leave their desks as clear as possible so that it can be easily cleaned. Yes</p> <p>7. Staff to ensure they have completed their DSE User Assessment Checklist.</p> <p>8. Managers are responsible for calculating the maximum occupancy of their offices. The maximum occupancy should be communicated with staff. See Covid RA</p> <p>9. Sign on the office door to communicate the maximum occupancy allowed. N/A only staff and pupils on rota should be in building. Max numbers have been risk assessed</p> <p>10. Opening of windows and doors regularly to allow fresh air into the building is encouraged. See Covid RA</p>			
Meetings	All Staff	Virus transmission, lack of social distancing as per Government guidance.	4	5	20	<p>1. Face to face meeting to be avoided. All meetings to take place via VC unless a meeting in school is essential</p> <p>2. Meetings to be held remotely See above - covered in Covid RA</p>	2	5	10

						<p>3. If face to face meeting is essential social distancing must be maintained siting of each member of the meeting to be 2m distance and not sitting face to face at the table. Any meetings taking place will follow recommendations</p> <p>4. Hand sanitisers to be provided in all meeting rooms. Staff to use when entering and leaving the meeting room. Yes</p> <p>5. Meeting rooms to be well ventilated. Yes</p> <p>6. Opening of windows and doors regularly to allow fresh air into the building is encouraged. Yes</p> <p>7. Reminders in place in the meeting rooms about hygiene and social distancing. Yes</p> <p>8. Details on the door of the meeting room confirming maximum occupancy. Max number of people in meeting will be directed by the chairs available- following SD measures</p> <p>9. Sharing of equipment such as pens is not allowed. Yes</p> <p>10.Meeting rooms to be cleaned after each meeting. Yes</p> <p>11. Consider holding meeting outdoors (walking meeting) where the 2m social distancing will still need to be observed.</p> <p>1. See Covid RA - visitors to school discouraged. 2. Meetings to take place via VC</p>

<p>Common Areas</p>	<p>All staff</p>	<p>Virus transmission, lack of social distancing as per Government guidance.</p>	<p>4</p>	<p>5</p>	<p>20</p>	<ol style="list-style-type: none"> 1. Introduction of one- way entry and exit points which are clearly marked. See Covid RA - change of building layout 2. Handwashing facilities, and/or hand sanitiser available at all entry and exit points. Yes 3. Break out / rest areas reconfigured to allow social distancing and reduce face to face interactions. C/V building - adult only zone 4. Encouraging staff to stay in work and reduce the need to leave the site until work day ends. Staff on rota - 9.30 - 2.00- no need to leave site during working hours. 5. Regular cleaning - staff responsibility and additional cleaner - no need for perspex screen 6. Staff provided with a safe outside space to have their breaks. N/A due to time in school 7. Staff are encourage to bring their own food and drink to work. See Covid RA. Classroom staff and pupils given school meal. Non classroom staff to be given meal if needed. 8. Open kitchen areas only one person allowed at one time to ensure social distancing. See above - C/V building kitchen 9. Closed kitchen areas Maximum occupancies (1 person every 2 metres) identified on the door. See above 10.Vision panels in kitchen doors kept clear at all times to assist staff in identifying visually if the capacity has been exceeded without the need to open the door. See above 11.Fridges and microwaves to be taken out of service. No - these are required. Staff responsibility to clean after use 	<p>2</p>	<p>5</p>	<p>10</p>
----------------------------	------------------	--	----------	----------	-----------	---	----------	----------	-----------

						<p>12.Smoking areas to be monitored. Staff should be reminded that social distancing applies outside of the work premises. N/A</p> <p>13.Breaks to be staggered to prevent overcrowding in break out areas. N/A</p> <p>14.Maintaining social distancing when using stairs. One set of stairs for going up and another for coming down to reduce the need for people to pass each on the stairs. See above - C/V building</p> <p>15.If this is not achievable staff informed to stick to the left-hand side when going up and consider others who may be coming the other way. See above - C/V building</p> <p>16.If lifts are to be used social distancing must be maintained and hand santisier to be used when entering and leaving the lift. See above - N/A</p> <p>17.Clear notice at each lift call point on every floor to identify maximum occupancy. See above - N/a</p> <p>18.Regular cleaning of all common areas. Yes - additional cleaner with rota. Staff responsibility for cleaning their work areas.</p> <p>19.Floor markings/graphics where required to highlighted social distancing. Yes - see Covid RA</p> <p>20.Opportunity to create 'lanes' to corridors and open plan areas so that people keep away from others working. Change of building layout - see Covid RA</p>			
--	--	--	--	--	--	---	--	--	--

						<p>21. Opening of windows and doors regularly to allow fresh air into the building is encouraged Yes - see Covid RA</p> <p>22. Doors should not be wedged open where they are fire doors or security doors unless there is a door guard or mag lock fitted and checked monthly. Those doors that are not there from a fire or security aspect can be wedged open. However, these doors should be clearly identified to help staff identify which doors can and cannot be wedged open. Yes - see Covid RA</p> <p>23. Accessing toilets restricting the number of people in depending on the size of the toilet need to be able to allow 2m distance between staff accessing the toilet and the hand washing facilities. Sign on door to confirm restrictions. See above</p> <p>24. 1 toilet, 1 urinal and 1 sink to be in operation to ensure social distancing others to be taped of service. Sign to be on door when occupied. See above</p> <p>25. Photocopiers to be limited to one person per time. Staff advised to limit use of the photocopier and wash hands after use. Consider the use of touch screen pens when using photocopier. When scanning use feeder on top of the copier to reduce the need to lift / touch the top to access the screen. Cleaning to be more frequent See Covid RA - staff responsibility to clean area after use - additional cleaner in school</p>			
--	--	--	--	--	--	---	--	--	--

						<ol style="list-style-type: none"> 1. See Covid RA 2. Employment of additional cleaner 			
Accidents, Security and other incidents	All Staff and visitors, contractors	Virus transmission, lack of social distancing as per Government guidance.	3	5	15	<ol style="list-style-type: none"> 1. There may be emergency incidents where social distancing is not safe to do such as staff would need to get out of the building quickly if there was a fire. Where possible social distancing will be maintained if safe to do at the assembly point. See Covid RA 2. During the current pandemic it cannot be guaranteed fire wardens will be available therefore the manager of the area is to take charge and ensure everyone safely leaves the building. See Covid RA 3. During the current pandemic it cannot be guaranteed there will be a first aider available therefore employees are aware to call emergency services for medical support by calling 999 and where possible notify their manager of the incident as soon as possible. See Covid RA 4. First aid kits – updated to include (where already not supplied) surgical masks and rubber gloves, hand sanitisers. See Covid RA 5. First aiders to be provided with the most up to date government information. See Covid RA 6. Any waste to be disposed of as per government guidance. See Covid RA 7. Providing first aid treatment during a pandemic: <ul style="list-style-type: none"> - First aiders have been informed that where possible, it is recommended that they do not perform rescue breaths or mouth-to-mouth ventilation; 	2	5	10

						<p>perform chest compressions only. (as per Resuscitation Council)</p> <ul style="list-style-type: none"> - In line with Government advice, First Aiders to make sure they have washed their hands or used hand sanitiser, before and after treating a casualty. - First Aiders to consider cross contamination that could occur which was covered in their training. <p>See Covid RA</p> <p>8. All trained first aid personnel must exercise extreme caution when treating any injury to any party as the social distancing measure of 2 metres may have to be breached to facilitate treatment by close and direct contact See Covid RA</p> <p>9. First aid personnel must assess the injured party from a distance of 2 metres and where treatment has been identified as required first aid personnel must wear latex free protective gloves and protective face masks whilst treating any type of injury or casualty and must wash hands immediately after treatment has been completed. See Covid RA</p> <p>10. If a casualty requires CPR then this should be administered by chest compressions only and not rescue breaths as adequate infection control for first aid personnel cannot be maintained. See Covid RA</p>			
--	--	--	--	--	--	--	--	--	--

						<ol style="list-style-type: none"> 1. See Covid RA 2. All First aid and emergency procedures listed 			
Managing Customers, Visitors and Contractors	All Staff, Visitors, Contractors	Virus transmission, lack of social distancing as per Government guidance.	3	5	15	<ol style="list-style-type: none"> 1. Signage displayed advising the recommendation and safety procedures in place when visit the buildings. Information to also be given before visiting if applicable i.e. on internet page, appointment letters. Yes - change of building layout. Info shared to staff and parents. Signage displayed. 2. Visits to be completed remotely where possible, reduce the need to visit other sites. See above 3. Visitors must wash their hands upon entering the premises or use the hand sanitiser provided. Yes - See Covid RA 4. Visitor times to be limited to certain times of the day. Yes - limited opening of school during day 7. Pens and other equipment not to be shared within Reception areas, one member of staff to sign in visitors where required. See Covid RA 8. Number of visitors to be limited to ensure social distancing can be maintained. See above and Covid RA 9. Interactions between staff, contractors and visitors reduced and completed remotely where possible. See Covid RA 10. Restrict the number of visitors able to enter public Council Premises (i.e. Libraries) where necessary. NA 11. Clear exit and entry routes established for staff and visitors to the building. Yes - change of building layout 	2	5	10

						<p>12. Queuing lines to be marked in line with the 2m social distancing guidance. Yes for pupils - see Covid RA</p> <p>13. Signage to ask visitors with symptoms not to enter the premises, and to remind both staff and visitors to always keep 2 metres from other people, wherever possible. Yes</p> <p>14. Staff aware of the safety information they should be providing visitors and contractors who are due to visit. Yes</p> <p>15. Waiting room furniture to be rearranged to ensure social distancing. NA</p> <p>16. Specific area for the delivery of goods where no contact with the driver is required. Yes - See Covid RA</p> <p>17. Non-essential visits to care facilities prohibited. NA</p> <p>1. See Covid RA</p>			
Cleaning & Hygiene	All Staff	transmission, lack of social distancing as per Government guidance.	4	5	20	<p>1. Opening of windows and doors regularly to allow fresh air into the building is encouraged. Yes - See Covid RA</p> <p>2. Paper towels provided as an alternative to hand dryers. Yes - See Covid RA</p> <p>3. Regular cleaning of all areas especially frequently touched areas, such as door handles, access buttons. Yes - See Covid RA</p> <p>4. Waste facilities provided across the site and frequently emptied. Yes - See Covid RA</p> <p>5. All waste removed and disposed of at the end of each working day. Yes - See Covid RA</p>	2	5	10

						<p>6. Social distancing measures are in place within Showers and changing areas and regular cleaning taking place throughout the day and at the end of the working day. Yes - See Covid RA</p> <p>7. Posters and reminders to staff about hygiene around the site. Yes - See Covid RA</p> <p>8. Ventilation and air conditioning systems have been checked and maintained. Yes - See Covid RA</p> <p>9. Where a known or suspected case of COVID19 has been reported a full clean will be completed as per the specific guidelines given by the government. Yes - See Covid RA</p> <p>10. Goods entering the sites to be cleaned. Yes - See Covid RA</p> <p>11. Extra cleaning procedures in place for work vehicles. 1 x minibus used for delivering FSM lunches. See Covid RA</p>			
					1. See Covid RA				

PPE	All Staff, Visitors, Contractors	Virus transmission.	3	5	15	<p>1. PPE will continue to be used for the job role where it is required and been risk assessed separately. PPE must be worn during first aid and when on LA transport. PPE available for all staff wishing to use it.</p> <p>2. Staff can wear face coverings if they feel this is necessary but is not compulsory. Yes</p> <p>3. Staff wearing face coverings are advised to:</p> <ul style="list-style-type: none"> - Wash hands thoroughly with soap and water for 20 seconds or use hand sanitiser before putting a face covering on, and after removing it. - Avoid touching face or face covering, as you could contaminate them with germs from hands. - Change face covering if it becomes damp or if been touching it. - Continue to wash hands regularly. - Change and wash face covering daily. - If the material is washable, wash in line with manufacturer's instructions. If it's not washable, dispose of it carefully in usual waste. <p>Practise social distancing wherever possible. Yes - See Covid RA</p> <p>1. See Covid RA - Available for all who wish to use it</p>	2	5	10
-----	--	---------------------	---	---	----	---	---	---	----

						2. Mandatory for First Aid and transport			
--	--	--	--	--	--	--	--	--	--

Workforce management	All Staff	Virus transmission, lack of social distancing as per Government guidance.	3	5	15	<ol style="list-style-type: none"> 1. Manager to follow current government and HR advice on who can return to work and who should remain at home. Yes - HT follows HR advice 2. Managers to ensure that they have a task-based risk assessment developed and cascaded through to their staff. Yes - see Covid RA 3. Where shift work or staff are split into teams, these will be fixed to ensure the same people mix with each other. NA 4. Where equipment is required to be passed to staff a drop off and pick up area will be set up to prevent unnecessary contact between staff. NA 5. Travelling will be minimised and remote working will be completed where possible. Travelling - delivery of FSM lunches. <p>Where travelling is required between sites only one person per vehicle, no car sharing. Where this is not possible and staff are together in a vehicle such as mini bus social distancing should be maintained. Shared school mini bus when delivering FSM lunches. Pupils transport by LA transport - using their RA</p> <ol style="list-style-type: none"> 1. See Covid RA 2. Staff rota / shielding of staff 	2	5	10
Information, Instruction and Training	All Staff	Virus transmission, lack of social distancing as per Government guidance.	3	5	15	<ol style="list-style-type: none"> 1. Staff provided with the information, instruction and training needed to safely return to the office. Yes - shared information and RA sent out for consultation before approval from Governors. 2. Regular updates given to all staff when any new guidance / recommendations are 	2	5	10

						<p>introduced. Yes - All info shared with staff - see Covid RA</p> <p>3. Where staff are located in a building not run by the Council or South Tyneside Homes notes should be shared with the landlord on Risk Assessment and respect each other's RA. NA</p> <p>4. The Landlord should have rules for common areas that they are in control of and communicate to relevant people. NA</p> <p>5. Staff advised to follow Government guidance and not to leave their home if they or someone they live with has developed symptoms:</p> <ul style="list-style-type: none"> - A high temperature, - A new, continuous cough. Yes - See Covid RA <p>1. See Covid RA - taskforces set up and all information shared.</p>			
Mental Health & Wellbeing	All Staff	Lack of mental wellbeing	3	4	12	<p>1. Specific intranet pages available to all staff to support their health and wellbeing with focus on their mental health. NA - not on intranet - info shared with staff regularly - See Covid RA</p> <p>2. Manager's guidance looking after everyone's mental health produced to help them support their colleagues. Yes - See Covid 19</p> <p>3. Mental health first aiders in place across the organisation to help support all staff. Yes - See Covid 19: These are KW, DG, KH, NW</p>	2	5	10

						<p>4. Occupational Health Service available for support. Yes - HT follows HR advice in relation to this support</p> <p>5. In house counselling service available for staff to self-refer to. Yes - Covid 19</p> <p>HR Services available for support.</p> <p>1. See Covid RA</p> <p>2. All staff aware of actions taken and support available</p>			
<p>Assessor notes: This risk assessment will need to be continually reviewed due to the ongoing government advice and guidance. Please refer to your professional body for additional advice.</p>

Risk Matrix

Risk Matrix

Severity \ Likelihood	Non-Injury	Minor Injury	7 Day Injury	Major Injury	Fatality
Improbable 1	1 Low Risk	2 Low Risk	3 Low Risk	4 Low Risk	5 Low Risk
Remote 2	2 Low Risk	4 Low Risk	6 Low Risk	8 Low Risk	10 Medium Risk
Possible 3	3 Low Risk	6 Low Risk	9 Medium Risk	12 Medium Risk	15 High Risk
Probable 4	4 Low Risk	8 Low Risk	12 Medium Risk	16 High Risk	20 High Risk
Most Likely 5	5 Low Risk	10 Medium Risk	15 High Risk	20 High Risk	25 High Risk

Risk = Likelihood X Severity

The above matrix is to be used to evaluate likelihood and severity in order to come up with a standardised method of rating risks arising from a hazard. It is used in conjunction with the risk assessment pro-forma.
