Geography	Local Area study linked with Industry and History topic: Types of settlement, land use, economic activity, trade links, distribution of natural resources, human features in the local area.	

This year, due to the virus, communication between home and school will be a little different to normal. Most communications will be done electronically. This includes homework, such as Spellings. We advise that you check the school website regularly for up-to-date information.

Games will take place on a Wednesday afternoon - children may come to school dressed in appropriate Games kit in the morning. This should include outdoor trainers, jogging bottoms/leggings, a t-shirt (no crop tops or vests) and long-sleeved top/hoodie.

Homework is under review at the moment, so keep checking the website for updates.

We hope this gives you sufficient insight into your child's learning for Autumn 2020. Please get in touch if you have any queries.

Mrs Tuff & Mrs Harte
